## ROOSEVELT MEMORIAL DAY

*Commemorative Meeting at the Inn, Tomorrow at  
Four O'Clock.*

Sunday, February 9th, has been designated by both Houses of Congress as the day on which the Senate and the House of Representatives are to meet in joint session for the purpose of commemorating the life and death of Theodore Roosevelt. Following the suggestion first made, we believe by Colonel Arthur Woods, former Police Commissioner of the City of New York and one of ex-President Roosevelt's intimate friends, most, if not all of the States have chosen the same date as the day for similar memorial meetings.

Thus, at one time, all over the country, in cities, towns and villages, by neighborhood groups, civic associations and official bodies, there will be honored the memory of him whom Colonel House at the Peace Conference in Paris called "the one virile and courageous leader of his generation." It is especially fitting that the neighborhood of Forest Hills should join in this memorial commemoration, for it was our neigh-

borhood that Colonel Roosevelt chose, out of five hundred others that had extended to him pressing invitations, for the place and occasion of his notable Fourth of July address in 1917, and Forest Hills recalls this honor with grateful satisfaction. Our meeting in memory of this great American and loyal neighbor will be held at the Inn on Sunday afternoon, February 9th, at four o'clock. Mr. Alexander Cameron, Chairman of the Community Council at Forest Hills, will preside, and Mr. Lawrence F. Abbott, will make the principal address.

A unique feature of the occasion will be a presentation of the moving pictures taken at the Fourth of July Celebration in 1917, showing Mr. Roosevelt in that vital and eloquent activity which was one of his distinctive characteristics.

## SEWING FOR REFUGEES.

### Workers Needed At Once to Meet Urgent Call.

At a meeting of the Forest Hills Branch of the Red Cross, held at the home of Mrs. Leon D'Emo in Ascan Avenue on Tuesday, February 4th, a call by the Queens County Chapter for one hundred and fifty refugee suits, to be delivered not later than February 15th, was presented.

This order involves a very sudden resumption of work, but as the Branch is pledged to meet such calls the sewing must be done promptly.

Many members have already taken material to do this work at home. To complete the garments in time a two-day rally is to be held at the Sales Office, this coming Tuesday and Wednesday, February 11th and 12th, from 10 A. M. to 4 P. M., which all who can do the sewing are invited to attend.

## NINTH COAST ARTILLERY.

### Eighth Company Starts Recruiting Drive—W. D. Teague Now Captain.

H. F. Pomeroy, of the Gardens Apartments, formerly captain of the Eighth Company, Ninth Coast Artillery Corps, New York Guard, at his own request has been placed on the officers' reserve list, and W. D. Teague of Beechnoll Road has been promoted to take his place. Lieutenant John Messenger has been promoted to the first lieutenantcy, formerly held by Captain Teague; former First Sergeant E. T. M. Wye has been made second lieutenant and Sergeant D. K. Sackisian, first sergeant.

The Eighth Company invites men of Forest Hills to join its ranks. They are needed to increase the strength of the New York State Guard. In the Eighth Company they will have the satisfaction of training and, if the call comes, of serving among their friends and neighbors.

The Ninth Coast Artillery Corps has a glorious record of over a hundred years' service in all this country's wars from the War of 1812 to the War of 1918. The aim is to make the new regiment worthy of this splendid tradition, and in personnel, training and equipment second to none in the State.

## GARDENS PLAYERS.

Early in March the Gardens Players will present a two-act play at the Kew Gardens Club, entitled "Poached Eggs and Pearls." Rehearsals are now going on with a cast including Mrs. Henry Oyen, Mrs. Bertha Aldrich, Mrs. Walter Claypoole, Mrs. Stirling Birmingham, Miss Wilson, Mr. Harvy Warren, Mr. Edward Moir and Mr. Walter Claypoole, and the performance promises to maintain the high standard set by the Gardens Players.

## AMERICANIZATION.

### Dr. William Nesbit Tells Women's Club of This Need.

Dr. William Nesbit addressed the Women's Club at its regular meeting, held Monday, February 3rd, at the Inn, on the subject of "Americanization." One hundred and fifty members present enjoyed a profitable afternoon in listening to his straight American talk, and many of them came to realize more keenly the enduring German menace, as he graphically described the systematic German destructive schemes that have matured in these last five years and are still maturing.

Mrs. Martha Allen spoke of what she had accomplished in championing the Prohibition Amendment just passed. Other important business coming before the meeting included the report of the Philanthropic Works Chapter of the Club, advocating aid for the Flushing Hospital. Fifty dollars was appropriated to purchase surgical instruments immediately needed there and some further personal work will be done in that direction.

A very delightful portion of the meeting was the rendering of two selections by the chorus of women's voices trained by Mrs. Charles H. Scammell. This is a new feature which should be encouraged by more members joining. Telephone Mrs. Scammell, Forest Hills, 6247-J.

## ASPIRATIONS OF JUGOSLAVIA.

### V. R. Savic Addresses Men's Club—Club Records Its Protest Against Hearst Appointment.

Vlabislaz R. Savic, former head of the Serbian Foreign Press Bureau, addressed the Men's Club meeting of January 24th, held at the home of Lyman Beecher Stowe, on the "Aspirations of Jugoslavia."

Mr. Savic, who is here as a spokesman for this new nation, appealed strongly to the Men's Club by the logic of his claims, as he placed the Balkan situation clearly before them. He understands, as he has set forth more in detail in his book, "Southeastern Europe," the conflicting interests that are involved and especially the Italian claims that must be set aside if his nation is to be given a chance to develop. An outlet on the Adriatic Sea is what Jugoslavia needs, and it is for an assurance that Italy will not stand in the way there that she is asking.

The Men's Club took the occasion of this meeting to put on record its opposition to the appointment of William R. Hearst as Chairman of the Committee to welcome returning soldiers, addressing the following letter of protest to the Mayor.

January 25, 1919.

Mayor John F. Hylan,  
City Hall, New York, N. Y.  
Dear Sir:

At a regular meeting of the Men's Club of Forest Hills, L. I., a committee of two was appointed by the chairman to express to you our regret and humiliation at the appointment of William Randolph Hearst as chairman of the Committee of Welcome for our boys returning from overseas.

It was the sentiment of this meeting that even at this late date a true, sincere regard for the feelings of our returning troops might be shown by a reconsideration of the entire personnel of this Welcome Committee, which would most certainly follow the appointment of a chairman of demonstrated loyalty to his country during the world crisis just passed.

These sentiments, as endorsed by the Men's Club of Forest Hills, are hereby respectfully submitted for your consideration in the hope that they may, in a small way, reflect a public sentiment so general in our community.

Yours very truly,  
For the Committee on Resolutions,  
Forry R. Getz,  
Gardner Osborn.

In addition to its Red Cross markings, this car bears a plate with the inscription, "Donated by the Forest Hills Branch."

## THE INN.

A delightful dinner party given by Mr. and Mrs. W. W. Dunklin to Mrs. W. McClenaghan and Mr. Hugh Ellis in honor of their joint birthdays, was held in the Sun Parlor of the Inn on Saturday evening, January 25. The table decorations were of mistletoes and pale green crepe paper, with dainty ivory trinkets as souvenirs. The orchestra, concealed in a bank of palms, played many selections during the dinner and parodies on the popular songs appropriate to the occasion, were sung by the guests. About twenty guests were present, including many residents of the Inn and several friends of the hostess.

Among recent arrivals at the Inn are Lieut. Commander and Mrs. H. W. Scofield, Mr. and Mrs. J. G. Rose of Oklahoma, Mr. and Mrs. C. W. Marsh and daughter of New York, Mrs. Frederick Peters of Babylon, N. Y., Mr. and Mrs. Thomas T. Hopper of New York, Mr. and Mrs. Francisco Zara of New York, and Mr. and Mrs. W. Mr. William T. Hankey of Cleveland, Ohio, was the weekend guest of Mr. and Mrs. H. Cummings of the Inn.

## FOREST HILLS 15—RIDGEWOOD 9.

## Local Boys Go to Ridgewood and Win.

On Saturday evening, February 1st, the older boys who had played good basketball on the Playground got together and went to Ridgewood and played with a team belonging to one of the Ridgewood churches. The gym was nothing other than the basement remodelled so that the girls and boys of the church could use it for free play. After going and finding what others are using we are well pleased with our splendid and big Club House on Seminole Avenue. With the good enrollment of classes we are soon to install apparatus which will please all our boys and girls who are so anxious to see it there. With that coming true our "gym" will far surpass the one we saw Saturday evening. Going back to the beginning, the most important, we won the game, the first this season. Score 15—9. We were especially glad for our team work without one of our best players proved too much for the Covenant Five. They showed splendid losing spirit and all had a good evening's fun. August Bastien played center with Lewis Schramm and Lockwood Concklin as his forwards and Dick Clinchy and Charles Dowse as guards who had all they wanted to do to keep Newtown's favorite forward from making all the baskets of the evening. Pures was the opposing center with Maiga and Summ as his forwards and Dietrich and Siebert as guards. They put up a stiff game but though on their own floor we beat them.

## A NOTE FROM MISS FOX.

Playground girls and boys from the ages four to ten are invited to a Valentine Party at the Seminole Club House on Saturday afternoon, February 15th, at 3 o'clock. We have not all been together for so long a time that we must get together so that where the warmer spring days come we will not be strangers. So your big friend, Miss Fox, would like to see all of her little playmates on Saturday February 15th.

Mrs. LeBlanc, besides playing the beautiful organ in a very acceptable way, is endeavoring to secure special music of a good quality each Sunday. Mrs. Berge was the soprano soloist one Sunday, and last Sunday the singing of a quartette, Mr. Marsh, bass; Mr. M. Hasselriis, tenor; Mrs. Berge, soprano, Mrs. LeBlanc, contralto, was much appreciated.

## ST. LUKE'S MISSION.

## THE CHURCH OF FOREST HILLS.

The Sacrament of the Lord's Supper will be observed Sunday at 11 A. M.

The annual meeting of the church, held last week, was the seventh anniversary. In spite of many handicaps, such as the epidemic and the demands on the time and the gifts of the members by the Red Cross and other agencies, the seventh year showed a progress greater than any previous year.

The treasurer reported all obligations met and a good balance of cash on hand. The report of the Ladies' Auxiliary showed remarkably good results.

The following officers were elected: Trustees, Charles M. Smith, James R. Turner, D. M. Sarkisian and Adam Traut. Pastor's Council, H. Mandeville, A. E. Kretschner, F. Hargrave.

In response to a unanimous invitation the pastor, Rev. Edward Lawrence Hunt, agreed to serve for another period of six months refusing to be considered as a candidate for permanent pastor.

The attendance at the church services and at the Sunday school were very encouraging.
