THE SAGE FOUNDATION

Disposes of Stock of Homes Company to Syndicate Organized by John M. Demarest

Robert W. DeForest, president of the Russell Sage Foundation, makes the following statement:—

The Russell Sage Foundation has sold all the stock of the Sage Foundation Homes Company to a syndicate organized by John M. Demarest, vice-president and general manager of the Homes Company. A large majority of the members of this syndicate are residents or lot owners in Forest Hills Gardens. The Sage Foundation has thus carried out its intention of ultimately turning over the future management and future development of this property to residents of Forest Hills Gardens and to those who presumably are most likely to continue its development and management along the lines of its original organization.

The Foundation is of opinion that its chief purposes in organizing and developing Forest Hills Gardens have been accomplished. These purposes were to provide more healthful and attractive homes for many people and to demonstrate that careful city planning, convenient thoroughfares, quiet, domestic local streets and ample public spaces would make a satisfactory suburban development and encourage imitation.

Mr. Demarest has been general manager of the Forest Hills Gardens since 1911. No one is in better position to continue the development of the property along the general lines than is he. None are probably more interested in doing this than those whom he has associated with himself in this project.

This sale in no respect changes the legal relation of property owners in Forest Hills Gardens to the Homes Company. These relations remain just what they always have been. It means nothing more than a change in the stock ownership of the Homes Company and transfers that stock from the Sage Foundation to Mr. Demarest and his associates. All the covenants in the deeds given by the Homes Company to purchasers continue to be effective, just as they always have been.

The trustees of the Sage Foundation have welcomed this opportunity of transferring the Foundation's interest to those who are most concerned in the continued success of Forest Hills Gardens."

LADIES' NIGHT AT THE MEN'S CLUB

In accordance with the usual custom, the April meeting of the Men's Club will be held at the Inn, where a large attendance is possible. The speaker will be C. H. Chubbuck, of Philadelphia, an engineer, who has travelled extensively in the Orient. His subject will be "Japan and China—A Contrast." His talk will be illustrated by lantern slides, many of them colored in the painstaking Japanese way.

Mr. Chubbuck will wear a Mandarin coat of cloth of gold, presented to him by his friend, the Princess Der Ling.

The ladies will be welcome at this meeting, which will take place on Friday evening, April 7.

RICHARD KNIGHT, Secretary Men's Club.

BURNING WEEDS

The editor's telephone has been busy ringing in protest against the promiscuous starting of fires in vacant lots. Some people set the dry weeds on fire and then go away, caring nothing for the danger to the neighbors' hedges and houses. Recently a fire was started on Burns Street, near Union Turnpike, and in a few minutes the grounds of Dr. Arthur Wilson, F. W. Goudy and R. C. Adams, on Deepdene Road, were surrounded by flames. The wind was high, the weeds were dry. There was much damage to berry bushes, climbing roses and hedges, and except for the bucket brigade of the neighbors, the houses would have been damaged. The person who starts the fire should watch it.

MUSICAL A SUCCESS

The musical held at public school 3 on the afternoon of March 28 cleared \$110.

SPRING CONCERT AND DANCE

One hundred members of the Forest Hills Choral Club and their guests are looking forward to the spring concert and dance to be given in the Masonic Temple on Saturday evening, April 22, at 8:15. Seventy-five singers will be in the big chorus, with Bruno Huhn as conductor. Every Thursday night since the last concert this chorus has had a serious rehearsal under the leadership of this able conductor. The full program will appear in the next number of the BULLETIN. There will be a dance from 10 o'clock to 1 A. M. with Taylor's orchestra of New York furnishing the same excellent dance music which was enjoyed at the last dance after the concert in December. Tickets may be obtained from club members, the drug stores or at the Temple on the evening of the concert.

The Choral Club has had many calls to sing in hospitals and members are willing to render that service after the concert. From the demand it looks as though they would be busy. There is also a quartet of the club always ready to sing for those who are ill and unable to get out.

COSTUME DANCE A SUCCESS

On St. Patrick's evening, March 17, the book and miscellaneous booth of the Masonic Fair to be held on April 27, 28 and 29, gave a costume-barn dance which 275 people en-

joyed. The refreshments were in keeping with the party. A photographer was there to take pictures of the dancers in original and charming costumes. The gratifying sum of \$400 was cleared. The large Masonic Fair is to be held to raise money for the building fund and the book and miscellaneous booth will be one of the principal divisions of that project. Mrs. S. W. Eckman is chairman of the booth.

FOURTH OF JULY IS COMING

Plans are under way for the Fourth of July celebration in Forest Hills Gardens. At a meeting of the executive committee, on the evening of March 20, it was decided to simplify the celebration this year and to have as much of it home-made and to do as much with home talent as possible. It is hoped that a new attraction will be a baby parade. There is nothing which would please such a large number of people. This particular plan will be presented to the Mothers' Club for interest and co-operation.

NEW BANK MANAGER

The manager of the Corn Exchange Bank, Forest Hills Branch, is E. L. DeForest. It is fortunate for Forest Hills that a bank of such high standing should establish a branch here.

SHOW APPRECIATION

It is said that no other suburb of New York has given such emphatic and enthusiastic cooperation to organized singing as Forest Hills has given to the Forest Hills Choral Club, formed last fall. This is as it should be, for the singers of Forest Hills have given much to the town. For years the local talented singers have unselfishly given of their best to the community—all during the war for patriotic gatherings, such as Liberty Loan and Red Cross drives and for many years to Fourth of July celebrations, Christmas festivals, Easter and Thanksgiving services.

Until last fall the singing was done remarkably well, when one considers that there was no particular plan of organization, but since a definite scheme of government has been adopted, regular rehearsals held and a competent director employed, a conspicuous advance and improvement in the choral work has been noticeable. The concert given last December was not only a delight to the audience and a matter of pride to the whole community, but a cause for gratification to all active workers in the Choral Club, because it showed that a dream of many years had come true. The wish for choral singing became an ambition, the ambition an earnest desire and the desire a determination that choral singing of a very high grade should be the achievement of Forest Hills. That concert was a definite proof that the dream had come true.

The Choral Club with 100 active and associate members appeals now to the community to support the spring concert scheduled for April 22 and the Bulletin is confident that the residents will not fail those who have given of their best for our pleasure and inspiration.

"And the night shall be filled with music,
And the cares that infest the day
Shall fold their tents like the Arabs,
And as silently steal away."

MISS EMMA LOUISE TAYLOR

Last Sunday, on March 26, occurred the death of Miss Emma Louise Taylor, daughter of the late Robert William and Eunice E. Taylor, who had lived for nine years at the corner of Puritan Avenue and Shorthill Road. The services were conducted by the Rev. Fred Sidney Mayer, Swedenborgian, of The Church of the New Jerusalem, Baltimore. Miss Taylor is survived by her sisters, Miss Mary E. Taylor, Mrs. Grant Rossman, of Boston, and Mrs. H. E. O'Neill.

Everything of beauty appealed to Miss Taylor and helped her to be wonderfully brave in her many years of invalidism. She was passionately fond of the birds, flowers and shrubbery of the Gardens. She also possessed a real talent in making friends and in unselfishly doing for them.

COMMUNITY HOUSE PLANS

Copies of the proposed plans of the Community House will soon be distributed to the executive boards of the organizations of the village for approval.

CIVIC AFFAIRS

Community Council Busy in the Interest of the Residents of Forest Hills.

At the last meeting of the Community Council, held March 17, it was reported that the bill proposing to make a state highway of Queens Boulevard had not passed out of committee; that Borough President Connolly has not supported this bill, evidently preferring that the boulevard should be a city, rather than a state highway; that he promises, however, that work of widening shall not commence until the tax is adjusted so that not more than 20 per cent shall fall upon adjacent property holders.

The Jewish War Veterans' Cemetery bill was reported killed, and the cemetery company is now trying to get land for this purpose on Staten Island.

The Meyer bill, concerning the relation of the Board of Education to the Board of Estimate, was reported killed.

Announcement was made that the hearing of the rate case of the Citizens' Water Supply Company is set for April 1. Until that decision is made by the courts, there is nothing new in the water situation.

Lyman Beecher Stowe told briefly of an excellent plan for organizing the young people of Forest Hills into a Junior Community Council. He will give this plan in detail at a meeting in the near future.

The following committees have been appointed for the new year:

Law:—T. M. Gordon, George B. Hanavan, Louis D. Spear.

Health:—Dr. W. Arturo Lucey, Mrs. L. E. B. Conkling, Mrs. William Patterson.

Public Safety:—Thomas B. Paton, Jr., two other members to be chosen by Mr. Paton.

School:—Mrs. Harold P. Daniels, S. W. Eckman, Mrs. A. E. Kretchmer.

Streets and Public Utilities:—J. Gorton Marsh, F. A. Dede, Mrs. Ralph E. Renaud.

Anti-Mosquito:—S. W. Eckman, M. J. Folensbee, G. L. C. Earle.

Playgrounds and Sports:—Samuel Castleman, Jac Auer, Major C. A. Perry, Dr. J. A. Corscaden.

Library:—Mrs. George Smart, Dr. David G. Latshaw, Lyman B. Stowe, Mrs. J. E. Kline, Mrs. Lawrence F. Abbott.

Delegates to City Parliament:—Robert Tappan, Mrs. H. P. Green, V. E. Engelbach.

Alternates to City Parliament:—Edgar D. Sealy, Mrs. William G. Walker, Mrs. Edgar D. Sealy.

LIBRARY STATION IS GROWING

The past month's increase in circulation over last year is over 400 volumes, which proves that the Forest Hills Library is steadily growing both in membership and book equipment. A number of gifts have been donated to the library, many of which are very useful and have been greatly appreciated.

A pay collection which privileges borrowers to draw books at a payment of five cents per week is to be installed within the next week. In this way more of the latest books can be added to the library. This collection must be entirely self-supporting and consequently its continuance and growth will be determined by its use.

Among the new books to be received for this collection are:

"Sleeping Fires," by Gertrude Atherton; "Beloved Woman," by Kathleen Norris; "To Let," by John Galsworthy; "Mirrors of Downing Street;" "Mirrors of Washington;" "The Glass of Fashion."

FAMOUS ETCHER AND AUTHOR IN TOWN

Earl H. Reed, whose famous etchings have elicited enthusiastic praise from the critics when he has had exhibitions in the large cities, has been a recent guest at the Inn. Mr. Reed's home is in Chicago, and his etchings depict the great out-of-doors, particularly trees, clouds and birds, and some of the most noted ones are drawings of the sand dunes. He is the author of a number of books, the best known are "Sketches in Duneland," "The Dune Country," "Voices of the Dunes," and "Etching, a Practical Treatise."

Mr. Reed was charmed with Forest Hills Gardens, the beauty of the architecture, winding streets, trees and shrubbery, and the singing of the spring song birds. He is a friend of Nathan Sackett, Deepdene Road.

Frederick Bauer, of the Gardens, left for the south on Saturday last to join Mrs. Bauer. They will return early in April and take up their residence at the Inn.

Mr. and Mrs. H. F. Fenlon entertained on Saturday evening in the sun parlor a party of fifteen. The color scheme was green and white. The young people enjoyed dancing during the evening.

Among the recent arrivals at the Inn are Mrs. George H. Waterman, of Brookline, Mass., and W. P. Hardy, of Manhattan.

PERSONALS

Harvey T. Warren and family have taken a house at Long Beach for the summer.

Mrs. James R. Woodrough, Greenway South, gave a large party on March 17. A number of additional guests were invited in for tea.

Miss Nan Cannon, Columbus, Ohio, spent the last week-end at the home of George Smart. Miss Cannon has just returned to this country, having spent three years in Europe with the Y. W. C. A., the Red Cross, and in making some investigations for the government. She has great sympathy for the suffering middle class professional people in Hungary and Czecho-Slovakia, where she spent some time.

J. H. Courtenay and daughter, Miss Claire Courtenay, Cranford street, sailed for Bermuda on Wednesday. They will be away from home two weeks.

Miss Mary R. Marsh, Greenway North, returned last Monday, having spent her spring vacation in Washington, D. C., and Baltimore.

PLAYGROUND WILL OPEN

The president of the Forest Hills Gardens Mothers' Club writes to the BULLETIN as follows: "The playground will open April 10 and will continue to be open five days a week from 2:30 to 5:30 P. M., and it is hoped that every one who supported it last year will support it again. It keeps the children where they have supervision and where they are much safer than in the streets. Incidentally, it teaches them how to get on with their fellows and it teaches them teamwork, and also what is more important, fair play. It is better for children to learn to take turns in leading on the playground rather than in continually bossing in their own neighborhoods. Co-operation is essential in modern life and the more we encourage our children to go to the playground the more they will learn of that valuable quality. Please support the campaign for funds this month. The recreational activities of the older children will be under the direction of the committee formed for that purpose by the Community Council."

CAMP FOR EX-SOLDIERS

Veterans' Mountain Camp an Assured Fact—Project Started in Forest Hills.

Organization has been perfected during the past two weeks for a 17-day campaign to raise funds to complete the purchase of the Veterans' Mountain Camp on Big Tupper Lake in the Saranac region for the care of tuberculous and disabled ex-service men. Headquarters have been opened in the Hotel Astor and from there Lieut. Belvin W. Maynard, "The Flying Parson," is directing and co-ordinating the work of thousands of women all over the five boroughs who have undertaken to raise the money. The solicitation will begin on April 6 and last until April 22.

This 1,300-acre camp in the heart of the State Forest Reserve and all that pertains to it are peculiarly a Forest Hills project, for the idea was originated by ex-Congressman Charles Pope Caldwell and Mrs. Caldwell, 29 Ibis Street, and received its first assistance through the local American Legion Post.

Money is pouring in from all over the state, and now the club women of the greater city have taken up the plan and expect to raise at least half a million dollars before the night of April 22. The New York City work is entirely in the hands of the women. The chairman of the American Legion Auxiliaries, Miss Thais Magrane, is chairman of the women's executive committee for the camp campaign, and others associated with her are Mrs. J. Walter Comly, president of the State Federation of Women's Clubs; Mrs. Richard Chapman, president of the City Federation; Mrs. Theodore Harding, of Chiminard; Mrs. Helen Bastedo, of the Women's Motor Corps; and Mrs. J. Christopher Marks, of the Theatre Assembly.

At a recent meeting of the representatives of women's clubs at the Astor, in the interest of the camp, there were present twenty ex-service men from Fox Hills Hospital, who came to thank the women for their interest and to urge that the camp be opened as soon as possible, for Fox Hills closes on March 31 and there is no place in the East where suitable provision can be made for tubercular veterans.

Lieut. Maynard, the director of the drive, is the man who made the first airplane flight from coast to coast, and he expects to have his present work going at least 90 miles an hour during April and prove as good a pilot at money raising as he was at trans-continental record breaking.

Mrs. F. M. Knowles has charge of the drive for Forest Hills Gardens.

"Inoculations, Pneumonia and the Common Cold" will be the subject of the address which Dr. Russell Cecil will deliver before the Forest Hills Gardens Mothers' Club on the afternoon of April 10, at the home of Mrs. B. S. Halsey, 119 Greenway South. This important topic will attract a large group of mothers. Dr. Cecil was a major in the U. S. An added interest to the meeting will be the annual election of officers.

The Young People's Society of Christian Endeavor was very fortunate last Sunday in having as a guest W. L. Graves, who spoke on the subject, "What It Means to Be a Christian." Mr. Graves is a professor of English at Ohio State University, Columbus.

The special Lenten mid-week prayer services are being very greatly enjoyed by those who participate.

The Women's Guild will meet on April 14, at the home of Mrs. G. G. Thomson, 133 Ascan Avenue, when Dr. C. E. Burton, general secretary of the Congregational Council, will speak. Mrs. F. C. Thompson will be assistant hostess.

On Friday, April 7, the Guild will meet at the home of Mrs. A. V. Moore, Tennis Place. All women who are interested in the welfare of St. Luke's are urged to participate in these interesting meetings.

THE NEAR EAST RELIEF MEETING

An interesting and instructive meeting was held Sunday evening in Masonic Temple, Forest Hills, in aid of the work of the Near East Relief. Dr. Albert Sheppard acted as chairman of the meeting. Mrs. Walter P. Sauer added much to the program by her splendid rendition of several song numbers. A unique Oriental touch was given by Mme. Nouvart Dzeron Koshkarian, a native of Armenia, who appeared in Armenian costume and sang several folk songs and the Armenian national anthem. In a charming manner she explained the songs and the sentiment they conveyed, significant of the suffering her people have endured. Her accompanist, Miss Mabel Seal, also a native of Armenia, appeared in another style of Armenian costume.

A three-reel motion picture, entitled "Alice in Hungerland," gave a very realistic presentation of the conditions among the hundreds of thousands of needy people in Armenia, and showed what is being done to save them from a terrible death by starvation.

Dr. William E. Doughty gave the address, beginning with a touching description of the gratitude of the Armenian children to America for saving their lives and helping them to develop into useful men and women. Dr. Doughty told of the 110,000 orphan children being cared for in part or entirely by the Near East Relief, and of the thousands of other children who constantly besiege the doors of the orphanages for the necessities of life. He told of the multitudes trying to fight through a bitter winter without food or clothing, except what the Near East Relief can provide. Subscription cards were distributed and about \$540 was contributed in cash and pledges.

Any one wishing to aid this noble and urgent work may send a check to Cleveland H. Dodge, treasurer, Near East Relief, 925 Broadway, New York City. Five dollars feeds a child for a month.

LOST—A small beaded bag with a cord to draw it up. Lost between Kenney's drug store and the sales office. Telephone Boulevard 8119.

LECTURE ON CANCER

Dr. James A. Corscaden, Underwood Road, attending surgeon of Sloane Hospital for Women, and consulting gynecologist of the Presbyterian Hospital, was the speaker at public school 3 on Monday evening, March 27. The lecture was given under the auspices of the Board of Education with the co-operation of the American Society for the Control of Cancer.

Dr. Corscaden said in part: "The object of propaganda is to put into the hands of the layman the knowledge of cancer possessed by a few experts. The reason for this is the knowledge that cancer is a local growth and at an early stage subject to complete removal.

"One out of eight women and one out of thirteen men at present succumb to it. A very large proportion of these sacrifices is unnecessary. The reason for failure to cure is that the cancer spreads, not by simple expansion, but by the extension of long, thin strands invisible to the naked eye. When these strands get beyond the limits of the area which can be removed by operation, the growth continues. It never 'comes back.' Those which 'return' were not completely removed. The lesson to be learned is early diagnosis, early complete removal.

"The other line of treatment aims at the removal of apparently innocent growths which are subject to chronic irritation and the removal of parts which have been injured especially at childbirth and have not healed completely. Radium and X-ray are valuable agents and in the hands of the skilled are well employed in conjunction with operation, but must be used with caution and only by those with experience."

PLAYERS' CABARET

Forest Hills' own Chauve Souris will be on exhibition at the cabaret dance which the Gardens Players will hold at the Masonic Temple on April 7. Tickets one dollar, which includes one-half of one per cent.
