HOME OF ADOLPH A. WEINMAN.

Situated on Greenway South near Rockrose Place is the attractive home of Adolph A. Weinman, illustrated above.

The house is set well above the sidewalk level which permits attaching the garage to the house under the living room porch. The brickwork is of rough texture in full range of colors of reds to purples, laid up in Flemish bond with wide joints of a cream grey color.

The grounds are attractively planted with such features as arbored trellises, summer house and lily pool.

The house was erected by the Homes Company from plans prepared by its own architectural department.

## VICTROLA RECORDS NEEDED.

The Victrola presented by residents of the Gardens originally to wounded soldiers at the Greenpoint Hospital is now doing cheerful duty in the Y. M. C. A tent of the base hospital at Mineola, and Mrs. Getz reports that more records, popular recent ones, are needed to keep up the good work. Recently she took eleven new ones out to camp, bought with funds raised here. Records should be sent to Mrs. Forry R. Getz, No. 60 Olive Place.

## FOURTH OF JULY COLLECTIONS.

The Treasurer, Dr. T. T. Sweeney, reports that checks are still coming in. These he appreciates as he has all the many donations, but he would be pleased if all remaining subscribers would, by paying at once, allow him to turn in his accounts.

## RED CROSS COUNTRY FAIR

Plans are under way for a Red Cross Country Fair to be held at Forest Hills, September 5th, 6th and 7th. Mrs. Leon D'Emo, chairman of the Ways and Means Committee of the Forest Hills Branch of the American Red Cross, is desirous of making this special celebration one of general interest and benefit, and takes this means of most urgently requesting the combined influence and efforts of all men and women of the community who have the welfare of our Army and Navy at heart.

A meeting will be held at the Red Cross House, 20 Gown Street on Wednesday evening, July 31st at 8:15 P. M. to discuss more fully plans for entertainment, arrangements of booths, etc., etc. This meeting is to be held in the evening so that the men of Forest Hills may give their support, which is necessary to the success of the affair. A large attendance at this preliminary meeting is most essential if the Fair is to be the success it should be.

Success in this undertaking means comfort and material aid to our boys, whether here or "over there." If we can't fight ourselves let us help them to fight. And while they are fighting for us don't let us neglect those they have had to leave to our sympathy and care. Let our slogan be devoid of creed, sect, rank, grade or degree, but let it be from the heart. "Get Together and Help the Boys!"

## A WORD OF CHEER

The Homes Company has under consideration a proposition to erect a sign, suitably inscribed, expressing the sentiments of the community toward the departing troops who pass through here daily.

The plan would be to erect such a sign adjacent to the Railroad track, to be paid for by popular subscription.

You are requested to mail the BULLETIN, as soon as possible, your suggestion for the wording that will most appeal to the departing soldiers as they see it in passing on their way to the Front.

### APPRECIATION OF THE FOURTH

That the entertainment of wounded men, soldiers and marines, here on the Fourth of July was thoroughly appreciated is evidenced by the following letter received by L. M. Burt of Slocum Crescent, Chairman of the Committee in charge:

Cumberland Street Hospital,  
109 Cumberland Street,  
Brooklyn, N. Y.

Mr. L. M. Burt, Forest Hills, Long Island.

My dear Mr. Burt.

Please let me thank you and our other Forest Hills friends for the very delightful time our Boys had yesterday. I have heard nothing all morning but the wonderful day they had and how good you all were to them.

I was very sorry not to have had the pleasure of seeing you when you came in on Wednesday; I expected you later in the afternoon, and was very sorry to have been detained elsewhere in the building while you were here at noon.

I have never seen the boys more enthusiastic over anything than they are over their outing and celebration yesterday.

Assuring you of our hearty appreciation and thanks, I am,

Very sincerely yours,  
Cecile B. Barnes.  
(Mrs. C. T.)

### A CARD FROM ENGLAND

One well-known resident of the Gardens, Lieutenant Harvey T. Warren, as the following card indicates, enjoyed his celebration of the Fourth of July, in England, this year:

"The American Consul and Mrs. John M. Savage, Lieutenant Harvey T. Warren, Commanding Officer, and the Officers and Men of the American Detachment in Sheffield, request the presence of Mr. and Mrs. John M. Demarest at an entertainment to be held at Bramall Lane Ground at 2 P. M., on July 4th, 1918, to celebrate the 143rd year of the Declaration of Independence of the United States."

### PERSONAL NOTES

Captain Roger B. Hull of the Gardens Apartment has been advanced to the rank of Major and reassigned to the Judge Advocate General's Department at Washington. Captain Hull had been in the Ordinance Reserve Corps, relieved from active duty and assigned to the New York Port Enemy Alien Bureau of the Department of Justice.

Major Hull will leave for Washington in the coming week.

Mr. and Mrs. A. C. Wessman of Greenway Terrace have returned from an extensive tour which embraced Hawaii, the Philippines, China, Manchuria and Japan. An interesting meeting of their trip on the other side of the world was with Mr. and Mrs. G. Sherwood Eddy, well known in the Gardens and equally well known in most of Asia. Other pioneer residents of the Gardens were met at Shanghai in the persons of Mr. and Mrs. William Burns. Mr. Burns is President of the American Chamber of Commerce there and has a very interesting achievement to his credit: he has interested Chinamen in Liberty Bonds and Red Cross Donations and finds them very generous subscribers.

Mr. and Mrs. F. K. Seward of Whitson Street, left with their family last Sunday to spend the remainder of the summer at Monument Beach, Cape Cod.

Mrs. S. E. Davenport, Jr., of Groton Street, has gone to Northampton, where she will spend August and September with Lieutenant Davenport's parents, Dr. and Mrs. S. E. Davenport.

Cards have been received announcing the birth of a son, Bevin, to Lieutenant and Mrs. Ralph Bevin Smith, on Thursday, July 11th. Before her marriage Mrs. Smith was Miss Lillian Deghuee.

Mr. W. P. McCulloch of Rockrose Place, has just returned from a vacation spent in Canada.

Mrs. Martin Hoban of Slocum Crescent left on Thursday of this week for Saratoga Springs, to be gone the remainder of the summer.

### PLAYGROUND PLAY.

On Friday afternoon, at 4 o'clock, August 2nd, the boys and girls of the Playground will give two small plays. There will be a contest as to which is the best, the boys' play of the girls' play. A vote will be taken from the audience. A contribution will be taken for the benefit of the Playground.

War Candies will be sold by the girls of the Canning Club in order to raise money to pay the expense of the canning utensils.

## SCHOOL WAR GARDENS.

Our boys in Europe are doing such splendid work that the children of Forest Hills are fortunate in having such a wonderful opportunity to show that real patriotism consists in hard work. This opportunity lies in the War Gardens. A teacher has been assigned to the gardens of Public Schools 101 and 3. She will be at both schools on Mondays, Wednesdays and Fridays; at P. S. 101 from 9 to 11 o'clock and at P. S. 3 from 11 to 1. After a reasonable amount of work, each child is given a U. S. S. G. Badge. All of the vegetables cultivated by the children will belong to the children to use as they please and every vegetable raised in America means so much more for the boys in Europe. Let there be no slackers in Forest Hills! E. E. Moore, teacher in charge.

## CHURCH-IN-THE-GARDENS.

Service will be held tomorrow morning, as usual, at eleven o'clock, Dr. Kent officiating. The church will be closed during August and until the second Sunday in September, the 8th. The attendance at the services during June and July has been gratifying in comparison with the attendance at some of the large churches of the city. Dr. Kent appreciates highly the special singing at a number of the services by Mrs. Kaighn and Mrs. Wilson.

## OUR LADY QUEEN OF MARTYRS

A great many favorable comments have been made since the Fourth of July upon Father McLaughlin's address on the morning of the celebration, at the raising of the Flag. It is a matter of pride among all denominations that one of the local pastors could so clearly and authoritatively and with great power present such an extremely comprehensive picture of the war,—its underlying causes and effects.

## GIRLS CANNING CLUB

The young girls of Forest Hills of fourteen years of age and over have formed a Canning Club which meets at Public School 101 Tuesday and Thursday mornings to can and preserve fruits and vegetables that any resident of the community may wish to contribute. If you have a War Garden and have a surplus supply please notify Miss Kathleen French. 'Phone F. H. 6433 and she will see that one calls and collects whatever you wish to contribute.

After the canning season is over the fruit and vegetables canned will be taken to a hospital for convalescing patients from our fighting forces.

Be sure to remember that we need fruit and vegetables to can.

## BUSY HOURS.

The Young People of Forest Hills are doing their bit to the best of their ability during the idle hours of their summer vacations. Tuesday afternoons they meet at the home of Mrs. Eddy to sew bags for the Y. M. C. A. and Fridays they take their luncheons and spend the day at the Red Cross House, as well as can for the convalescing soldiers on Tuesday and Thursday mornings.

The Sewing Club of the winter is also continued on the Playground every Tuesday afternoon at 3:30 o'clock.

## SCHOOL FLAG RAISING.

On Wednesday, July 31, at 10 o'clock, exercises will be held at the Raising of the School Garden Flag. Children and parents are invited to attend.

## FLAG PRESENTATION.

A beautiful and impressive military ceremony was the presentation of a regulation silk flag to the First Battalion, 152nd Depot Brigade (now located at Camp Upton), on Thursday evening, July 13th, in the Station Square. Major William E. Payson and fifteen of his officers came up by motor, as did also two Sergeants and the "Service Four," whose singing on Independence Day was so much enjoyed. All of the officers, with Mrs. Major Payson, Mrs. Captain Miller and Mrs. Lieutenant Britton, as well as the enlisted men, were dinner guests of some of the guests of the Inn.

A little before 9 o'clock the Major formed his men on the Inn side of the Square, facing the fountain. Chaplain Nichols took position on the step of the fountain, facing the Major and his command. Mr. Sealy Hutchings, of Galvaston, (just in from training camp), kindly acted as color bearer, standing on the Chaplain's right, while behind him stood the "Service Four."

The Chaplain made a brief address, referring to pleasant recollections of his "soldiering" with the Major in the Philippines at the time of the Insurrection. He then emphasized the spiritual ideals of the present war, calling it the Greatest Crusade in the World's History. The symbolism of the flag and its colors was noted, then, while all uncovered, the Chaplain blessed the flag in the Name of the Trinity, and asked God's blessing on all who should carry it. Taking the flag, he handed it to the Major, who, after a few words of instruction, gave it to Color Sergeant Tausser, an old regular in service and bearing.

At this point the Quartet and audience joined in one verse of "The Star Spangled Banner," while all in uniform stood at attention and all heads were bared. After this Major Payson happily replied to the Chaplain's presentation address, insisting upon telling how long since it had been that he and the Chaplain were comrades in the Southern Isles. He then dismissed the Colors and Guard, which was followed by the dismissal of the officers and the close of an impressive event, which recalled to some the presentation a year ago, when Mrs. Spence presented a flag to our Forest Hills Rifle Corps, from some of the guests of the Inn, when Chaplain Nichols accepted it for the Corps.

Through the courtesy of Mrs. Hawley, of the Inn, a very delightful informal dance in the ball room followed the event in the Square. About midnight the party started back to the Camp with the pleasantest impressions of the Gardens.

The "Service Four" not only sang the anthem in the Square, but a number of songs during the evening. Private Clark took the place in the Quartet of Private Johnson, who was ill.
