FOURTH OF JULY IN FOREST HILLS GARDENS

THE CELEBRATIONS FROM 1914 TO 1920

THE STORY OF THE CELEBRATION of Independence Day in Forest Hills Gardens from the inauguration of a special program has been one of development, popularity, games, dances and patriotic eloquence.

The exercises of 1914, the initial program, were noted for the *camaraderie* which can come only in a small community. In 1915 the contest in tennis matches for the silver cup was begun and a pageant of colonial times was held in Station Square. The dedication of the Flag Pole on the Green and the presentation of "The Happy Stranger," an allegory by E. H. Conway and R. E. Renaud, in Olivia Park, were the outstanding features of 1916. The Red Cross benefited by the refreshment booth.

Theodore Roosevelt was the central figure of July 4th, 1917, when he was the guest of the Gardens and made his famous one hundred per cent. American speech. The events of 1918 were sanctified and

somewhat shadowed by the presence of wounded soldiers and sailors, the honored guests of the day, who were served supper in the Church-in-the-Gardens. The program was brightened by the dancing of the pupils of Louis Chalif in Olivia Park. The program of 1919 was one of Thanksgiving over the success of the United States and her Allies in the Great War. This was epitomized in the allegory "The Golden Day," by R. E. Renaud, presented in Olivia Park. The Big Sisters of Queensborough were aided in their work by the proceeds of the refreshment booth.

This year's program is being developed along some new lines. Base ball is substituted for tennis and there will be an opera in Olivia Park. Throughout the story there are in each year's program, children's games in the day and an open air dance for adults at night, in canvas-covered Station Square, festive with myriads of lights and flags.

Plans for Independence Day Celebration--July 5

FLAG RAISING

THE Flag raising will be a strictly military ceremony held under the direction of the American Legion, with Harvey Warren in charge. The members of the American Legion and all other Service Men and all Boy Scouts are urged to meet in Station Square promptly at 9:15 A. M., July 5. Uniforms are to be worn. They will then march to the Green where at 9:30 A. M., the Flag will be raised on the historic pole. Inspiring, patriotic music will be sung by all of the residents, led by the community chorus.

CHILDREN'S GAMES

DR. W. F. Saybolt, assisted by several young men and women, will have charge of the children's games at 10:00 A. M., on July 5; in Station Square. The usual games, which test the prowess, speed and skill of boys and girls, will be held, with many new features added. There will also be many new "stunts" for adults. For the men and women there will be a tug of war, tilting matches, football kicking and ball throwing. Fathers will have a good chance to shine in the baby carriage race. Very attractive medals, well worth keeping in themselves, will be awarded as first, second and third prizes for the children's games. These games always attract a large crowd and this year will be no exception.

BASEBALL

AS tennis is a continuous feature of life at Forest Hills it has been decided by the committee that a baseball match would furnish more interest and amusement as a Fourth of July event. The regular tennis tournament has accordingly dropped from the program this year and a baseball game between the traditional rivals in athletic prowess, the Inns and the Outs, will be played instead. The hour for the baseball game is 2:00 P. M., and the place, Hawthorn Park. This game will be one of the big events of the day and the local fans will undoubtedly be on hand in large numbers to cheer their respective teams. As many of the players are held in high esteem by their relatives and the presence of others is required by later events, it was thought best to eliminate the hazards of a hard ball and the game will be played with the indoor equipment of a large ball and short bat. Captain Bell, who is Commander-in-Chief of the Inn forces, states that he will put a formidable line-up into the field and is confident that victory will rest with the warriors of Station Square. Captain Burt, the eminent strategist of the diamond, will lead the Outs into action and he intimates that some of the plays his seasoned veterans will unloose during the fray will go down in local history.

OFFICERS AND CHAIRMEN

Long List of Committees Guarantees a Successful Day

There have been several general meetings and a number of committee meetings in the last two or three weeks, working and perfecting the plans and detailed arrangements for the Fourth of July celebration in the Gardens, to be held on July Fifth. The following persons have shouldered the responsibility of the undertaking and to them the thanks of the community are due:

- Dr. Thompson Tyler Sweeney, chairman.
- William W. Bruce, treasurer.
- George Smart, secretary.
- The chairmen of committees are:
- Dr. R. W. Waddell, entertainment.
- F. B. Colton, decoration and illumination.
- John R. Davies, speaker.
- Henry W. Hirschberg, dance and music.
- Frederic W. Goudy, printing.
- E. B. Wilson, publicity.
- Herman Rountree, posters.
- Dr. W. F. Saybolt, children's games and safety.
- William W. Bruce, finance.
- P. G. Cole, streets and police.
- Mrs. C. H. Scammell, singing.
- Scott Robinson, baseball game.
- Mrs. Smith Alford, refreshments.
- Harvey T. Warren, military.

OPERA IN OLIVIA PARK

It is a matter of peculiar pride that the committee has been able to secure the services of Milton Aborn as special director of a company which will sing "Pagliacci" and "Cavalleria Rusticana" in Olivia Park at 4:00 P. M., on July 5. In the chorus there will be twenty-four voices from the Metropolitan chorus and the orchestra will be composed of seventeen members of the Metropolitan orchestra. The operas will be sung in Italian. These two operas will be produced with the minimum of artificial scenery.

It will be necessary to limit the guests to the holders of tickets—the residents of the Gardens, who have contributed, and their friends. The park will be open at 3:30 P. M. Children under eight years will not be admitted. No chairs, boxes or baby carriages will be allowed.

THE REFRESHMENT BOOTH

The refreshment booth will be in charge of the Big Sisters of Queens Borough, who were given the same privilege last year. Mrs. Smith Alford and Mrs. John M. Demarest will preside over the booth and will be assisted by Mrs. Frank Haughton of Flushing and Mrs. A. James Van Sieten of Jamaica. There will be ice cream cones, lemonade, iced tea, sandwiches and cake on sale.

Last year more than two hundred dollars was cleared at this booth, and the Big Sisters were able with it to save seven children from institutions who would otherwise have been compelled to go there. These unfortunate little children often come to the Children's Court in a shocking condition and nobody would care to adopt one of them in that state, but two months in the Big Sister boarding home works such wonders in them, that it is not hard to find good homes for them. Last year the Big Sisters found homes for ninety children in addition to their work among the young girls of the Borough. Their president attributes the success of the work in no small degree to the generous support which the people of Forest Hills have given to the organization.

COMMUNITY CHORUS

MRS. Charles H. Scammell has organized a Community Chorus to help in the July Fourth celebration. The first rehearsal was held Thursday evening, June 24. Other rehearsals are planned for Friday evening, July 2, and Sunday evening, July 4, at eight o'clock in the Church-in-the-Gardens. The chorus of mixed voices will be trained and conducted by Mr. Bruno Huhn, of New York, a famous leader of Glee Clubs, who at present is successfully conducting five choruses. This is a rare opportunity for the singers of the Gardens to organize a Community Chorus under the direction of a most able leader. All the singers are urged to report for rehearsal so as to make the celebration glorious through the inspiration of a large leading chorus. In what better way than in singing can patriotic devotion be aroused? All who sing should belong to the chorus.

At the Flag raising in the morning of July 5, the chorus of men's and women's voices will lead the community singing on the Green. In the evening during the intermission of the band concert, the chorus will render several patriotic songs.

SUPPER SERVED

The Women's Guild of the Church-in-the-Gardens will serve supper in the Social Room of the Church to their guests on July 5 at one dollar each, between the hours of five and seven. The ways and means committee, Mrs. Charles H. Scammell, chairman, is responsible for this plan which will enable the people of the Gardens to enjoy a community supper and the proceeds will go to the Community House fund. The food will be the best, home-cooked and baked, and will be enjoyed by a large number of people.

Applications for covers must be made at once to Mrs. J. B. Snow, chairman of the supper, 186 Meteor Street, telephone Boulevard 6372, in order that the ladies may know for how many to prepare.

THE PATRIOTISM OF PEACE

IN a commencement address to the students of Wellesley College last week, Charles E. Hughes spoke on the subject "The Patriotism of Peace." He said in part:

"Unless we have in peace time that dominant sentiment which prompts a continuous and self-sacrificing devotion to public ends, the sacrifices of patriotism in war will have been in vain. Our national ideals are neither imperialistic nor racial. They transcend all ordinary national aims; they are not bound up in anything short of establishing and maintaining constitutional government as the sure base of liberty.

"It is a spurious patriotism that is linked to the triumph of any creed or class, or becomes the vehicle of bigotry. The common good rooted in the essential institutions of justice and individual liberty—that is the national ideal."

That last sentence, "The common good rooted in the essential institutions of justice and individual liberty—that is the national ideal," is a splendid goal in peace or war time. During the great war we all lived in this country on a high plane of patriotic devotion, but as the history of nations reveals, there is always a slump in ideals during the after-war period and our own country in the last year and a half has been no exception. This is a government of, by and for *all* the people, or the "common good," and no class or creed must assume any arbitrary or capricious control. In this way true liberty will be secured. When the men and women of this land see the vision and press toward the goal of the good of the whole body of citizens, then the early precepts and principles of the founders for the Republic, 144 years ago, will prevail and democracy will be a reality.

In a story of exalted patriotism "Uncle Sam of Freedom Ridge," published in the June Atlantic Monthly, Margaret Prescott Montague gives the tale of an old man who looked like Uncle Sam and whose personality expressed the spirit of all that is best and highest in our country, "And it (his country) was all sort of mixed up with his religion. I don't believe the old man ever did know where his country stopped and his God began," the tale reads. When the patriotism of peace, the devotion to the common good, becomes a religion with the majority of our people, then the United States will be a torch bearer for the nations of the earth. On this national Independence Day, we should pledge ourselves to these high purposes and principles.

THE LOCAL CELEBRATION

IN a very marked degree all the men of the Gardens have been invited to participate in the plans of this year's celebration, which takes place July 5. Every one has been urged to share in the expense, not only to raise an adequate sum, but because when one contributes, his interest increases. All of the residents of the Gardens and their guests are expected to enjoy the events of the entire day. Dr. Sweeny and his committee have welcomed advice and suggestion. This is our party and we are all to help to make it a success. The program of the day, from the military flag raising and patriotic singing on the Green to the "Home Sweet Home" waltz, as the lights go out on the dance in Station Square, has been planned to meet the taste and pleasure of old and young. The children's games and games for adults on Station Square and the baseball game, a new feature, will furnish wholesome recreation. Olivia Park with its charming setting for the opera in the afternoon will be a delight to all. Then the dance on Station Square, lighted by myriads of red, white and blue incandescents, will fittingly close a happy family and community patriotic day—the Independence Day of 1920, long to be remembered.

THE DANCE IN STATION SQUARE

The Regiment Band of the 22nd Corps of Engineers, formerly the 22nd Regiment, will furnish the music at the dance, the evening of July 5, which will be held in Station Square, as in former years. This band consists of forty pieces and will be a large factor in the success of the evening party. A band concert will precede the dance. During the intermission the community chorus will sing several numbers. Sport costumes will be worn by the residents of the Gardens and their guests. The unusually beautiful lighting of the Square will make the dancing party a very attractive scene.

Badge wearers *only* will be admitted to the dance; these are the villagers, who have contributed to the celebration, and their families and friends. No children will be admitted on the dance floor after nine o'clock. Henry W. Hirschberg is general chairman of the dance committee.

DECORATIONS AND ILLUMINATIONS

The standard heretofore set by the community will be strictly adhered to this year. A careful study of the problem resolves itself into the best treatment of the Station Square; which naturally lends itself to architectural treatment. Drawings at scale have been made and filed with the proper authorities for the necessary permits. Contracts have been made with the Electric Light Company for service current and streamers. Other contracts have been let for the erection of poles and the hanging of the streamers. The illumination this year will be the equal of and if possible exceed that of last year.

The decorations will consist of myriads of American Flags interspersed with those of the Allies, all placed to produce the best effect.

The proclamation to the residents for the Independence Day celebration is also the work of Mr. and Mrs. Goudy.

THE FLAG GOES BY

Hats off!
 Along the street there comes
 A blare of bugles, a ruffle of drums,
 A flash of color beneath the sky:
 Hats off!
 The flag is passing by!

Blue and crimson and white it shines,
 Over the steel-tipped, ordered lines.
 Hats off!
 The colors before us fly:
 But more than the flag is passing by.

Sea-fights and land-fights, grim and great,
 Fought to make and to save the State;
 Weary marches and sinking ships;
 Cheers of victory on dying lips.

Days of plenty and years of peace;
 March of a strong land's swift increase;
 Equal justice, right and law,
 Stately honor and reverend awe.

Sign of a nation, great and strong
 To ward her people from foreign wrong:
 Pride and glory and honor,—all
 Live in the colors to stand or fall.

Hats off!
 Along the street there comes
 A blare of bugles, a ruffle of drums;
 And loyal hearts are beating high:
 Hats off!
 The flag is passing by!

THE INN

Mr. and Mrs. George Walworth Middleton of the Inn recently announced the engagement of their daughter, Marjory, to Mr. J. Douglas Collier of Yokohama, the son of Mr. James Collier of Nottingham, England. Miss Middleton met her fiancee while visiting her friend, Miss Strahler, whose home is in Japan, and who spent several months with Miss Middleton last summer. The wedding of Miss Middleton and Mr. Collier is planned for the fall, to be followed by a trip around the world en route to their future home in Yokohama. Mr. Collier is at present a guest of the Inn and will remain until the last of this month.

Mr. William S. Hernon of the Inn sailed a few days ago to England and France in the interests of his firm, and will be away for about ten weeks. Mr. E. A. Bilger of New York has joined Mr. Bell and Mr. Ellis in their apartment during the absence of Mr. Hernon.

Mr. Charles Bishop, who has always been one of the most popular and esteemed guests of the Inn, announced his marriage, on June 6th, to Miss Mary Craven of Newark. After a trip through the Canadian Rockies, Mr. and Mrs. Bishop will return to their new home in Forest Hills.

Mr. and Mrs. Alexander W. Smith and Miss Esther K. Smith of Atlanta have arrived at the Inn for the marriage of their son, Theodore, to Miss Doris Thornley, which will be celebrated at the Church-in-the-Gardens on June 30, followed by a reception at the Inn.

Col. and Mrs. S. B. Williamson and their daughter, Mrs. Julian P. Smith, of Atlanta, have returned to the Inn for the summer season.

Mrs. Mary A. Faxon of Boston, who has been a guest of the Inn for the past winter, left this week for the home of her daughter, in Dublin, N. H., but will return in the early fall season.

Among the most recent arrivals at the Inn, are Mr. and Mrs. F. R. Slaussen of New York, Mrs. Charles C. Smith and Miss Caroline Smith of Long Beach, L. I., Mr. and Mrs. James A. Reilly of Central Islip, L. I., Miss Laura L. McDonald of Jacksonville, Ill., Mr. Elmer M. Burden of Brooklyn, Mrs. A. B. Clark and Miss Winabeth of New York, Dr. H. H. Donally of Washington, D. C., Mr. J. Wainwright, Jr., of Philadelphia, and Mr. K. O. Major of New York.

Mr. and Mrs. A. Blair Thaw, who have been guests of the Inn for several weeks, have recently gone to their new home in the Gardens, where they will remain for the summer season.

FINANCIAL STATEMENT

The cost of the July Fourth celebration for 1919 was \$3,057.90. The receipts from the residents to help defray the expenses were \$1,795.00. The difference between these two, or \$1,262.90, was paid by the Homes Company.

Dr. Thompson Tyler Sweeny, the chairman of this year's celebration, is asking every family in the Gardens to contribute to the expenses, at an average of \$10 each. The checks should be sent to William W. Bruce, Gardens Apartments. The program to be given on July 5 is worth much more than that amount to every family here, and the residents are permitted to entertain their guests on this day. The splendid performance in Olivia Park will be enjoyed by the contributors and their guests—those who have tickets. The dance in the evening will be for the same people, contributors and guests, those who wear badges.

In another issue of the Bulletin, the next one, if possible, there will appear a detailed statement of this year's expenditures and receipts.

TO THE PARENTS

It is shocking and surprising, the way children of the Gardens climb over the building material and unfinished buildings. This is a word of caution, for the children, ranging from four years up to fifteen, are endangering their lives by climbing over the buildings under construction. Accidents will surely occur.

Not only is this a dangerous practice to the children, but they are doing much damage to the building materials. Brick, terra cotta block, cement, plaster and wood are being destroyed to the extent of a large amount of money by children who are unwilling to listen to the warnings of those who are responsible for the building material. It is time for

SCHOOL SURVEY.

The registration of the children planning to attend public school next fall is now complete. The list has been secured by volunteers, to aid the principal in knowing how many children could be expected to attend the different classes in September. At the same time a registration of the babies was taken, so that the school committee of the Community Council and the community secretary will have a complete list for future use.

The survey was made under the supervision of Mrs. Harold P. Daniels, chairman of the school committee of the Community Council, by the following ladies: Mesdames Lawrence F. Abbott, J. C. Bebb, Ernest M. Bristol, L. E. B. Conkling, J. A. Corscaden, Harold P. Daniels, George A. Douglass, S. W. Eckman, George B. Everitt, Thurlow M. Gordon, Fritz Hagens, F. B. Humphreys, A. E. Kretschmer, D. Langmuir, F. Y. Low, Ward J. MacNeal, Robert Marsh, E. H. Mays, A. Moore, Edmund O'Shea, D. M. Sarkisian, Eugene Schoen, George J. Simons, F. P. Summers, E. S. Swazey and J. L. Williams.

SCHOOL GARDENS

The school garden was open on Friday, June 18, for inspection by the parents. Mr. Van Evrie Kilpatrick, Director of School Gardens for the Board of Education, visited the garden shortly after 3 o'clock. He was much pleased with the appearance of the garden, and said there was not a finer one in the Borough of Queens. He promised to provide a competent man to supervise the work during the months of July and August. Pins will be given to the children who do efficient work during the summer.

PERSONALS

Mr. Harrison Boyce of the Boyce Moto-Meter Company, a former resident of Forest Hills Gardens, has recently purchased the Candee Estate, Harbour Knoll, Great Neck, L. I., and will take possession very shortly. The charming place, with its own pier and beautiful grounds and appointments, is one of the most attractive along the shore, and Mr. and Mrs. Boyce are to be congratulated upon its acquisition.

Mrs. Frederick E. Smith and daughter, Miss Helen, have left town for an extended stay in the west. They will visit the Grand Canyon, Yosemite Park and the various cities of California and on the way home will visit Yellowstone Park, returning to the Gardens about October 1.

Mr. E. V. Meiden and family, of California, are occupying the Frederick Smith home, Greenway South and Short-hill Road, for the summer.

Mr. and Mrs. Louis D. Speir, of Shorthill Road, have left for the Canadian Rockies. Mr. and Mrs. O. E. Jorgensen and family are renting the Speir home.

Mr. and Mrs. Lawrence F. Abbott and family, of Greenway South, have gone to their home, Cornwall-on-the-Hudson, for the summer.

Mr. Frederick K. McFarlan, of Berkeley, California, has been visiting his brother, Mr. John A. McFarlan, of Slocum Crescent.

Mrs. Orion K. Thomson and daughter, Ruth, are visiting the family of Mr. J. Gorton Marsh, 68 Greenway North. The Thomsons and Marshes were formerly Chicago neigh-

DR. LATSHAW ACCEPTS

Released by Y. M. C. A. to Serve as Pastor of Church-in-the-Gardens.

AFTER a search all over the country for a minister for the Church-in-the-Gardens, the committee finally and unanimously recommended our own Dr. Latshaw, and this recommendation was enthusiastically accepted at a recent meeting of the Church Corporation. When Dr. Kent left us, a year ago, Dr. Latshaw was thought of as a possible successor, but there were conditions then that made it out of the question to secure his services. The International Committee of the Young Men's Christian Association, with which Dr. Latshaw is at present connected, has been loath to release him from the important work for which he is responsible in that great organization. The consent has finally been secured to have him released from the International Committee for a year, with the hope that this may be extended.

David Gardner Latshaw was born at Brookville, Pennsylvania, and graduated from Alleghany College and later from the Boston University School of Theology. During, and following his college days, he had considerable business experience, and later, on entering the ministry of the Methodist Episcopal Church, occupied several important pulpits in the central west. He developed in his ministry a number of effective and practical methods of Christian work, and in the pulpit organization and pastoral service made a splendid reputation as an eminent, sound, constructive and progressive-minded minister. His particular success in reaching men lead to his accepting an appointment in the Religious Work of the Young Men's Christian Association. For the past ten years he has devoted himself to promoting religious activities of the Association among city, student and industrial men and boys. He has traveled extensively through the United States and has helped to give tone to the general activities of the Y. M. C. A. in a way that was broad and sane, and to spiritualize the all around service that this organization renders to boys and young men.

During the War, he was active in promoting the religious aspect of the Association work in American camps, and later went to France and assumed charge of the religious work in a large area over there with an important relation to all the Bible study, religious meetings and forms of personal religious work that were done among the boys of the A. E. F.

Dr. Latshaw retains his relation to the Ohio Methodist Conference, which body loaned him to the International Committee. Dr. Latshaw has shown, from the outset, a clear understanding of the possibilities of the Community House; he has occasionally occupied the pulpit of the Church-in-the-Gardens, and no speaker we have had has been listened to with deeper interest. While a man of considerable scholarship, his contacts with life have been very close, and in the Community House project he has seen, as perhaps no other resident of Forest Hills, the expression of a practical Christianity that extends to those who are not especially interested in the church as such.

Mrs. Latshaw is an efficient business woman, popular with all who know her, and, as Superintendent of the Primary Department of the Sunday School, has shown a skill and tact that have made that department of the church work most effective.

Raymond P. Kaighn.

COMMUNITY HOUSE CAMPAIGN

The campaign for funds for the erection of a Community House on the land donated by a friend to the Church-in-the-Gardens, has been extended until Tuesday, June 29. On that evening there will be a final meeting of all canvassers at the home of H. H. Buckley, Markwood Road, when a comprehensive report will be made by all of the seven captains. The next number of the BULLETIN will have a detailed report of this important and successful campaign.

SAINT LUKE'S

The Rev. S. Winfield Day of Grace Church, Jamaica, officiated at St. Luke's on Sunday, June 20, in the absence of the Vicar, who attended a reunion of his class at Williams College. The Vicar also assisted in the very impressive service, on Sunday afternoon, in the beautiful College Chapel, of the re-interment of the remains of Col. Ephraim Williams, founder of the college, and unveiling of the memorial to Williams men who died in the service of their country. He marched in the long line of uniformed men who served in the Great War. Governor Coolidge was one of the speakers at commencement. General Pershing and Admiral Sims were among those receiving doctor's degrees. Both officers were given a great ovation.

One parishioner, Mr. Edward C. Stokes, of Beechknoll Road, general manager for the United States of the Royal Assurance Co., sailed on June 12 for London. On June 22 he will be a guest at the Lord Mayor's banquet. On June 11, at the Chapel, the Vicar baptized Mr. Stokes' infant daughter, Beatrice Helen Stokes.

The family of Robert Tappan, Whitson Street, have presented St. Luke's a very handsome silk flag. Mr. Tappan has also drawn a sketch for the proposed new church for which he has donated the plans.

The marriage of Miss Helen M. Young to Mr. Carl M. Thomas of New York City, on June 2, took place at the Chapel, not at the Church-in-the-Gardens, as erroneously reported in the last issue of The Bulletin. The Vicar also officiated at the beautiful home wedding in Kew Gardens of Miss Anna M. Stinson to Mr. Robert W. Smith of New York City.

This week the Vicar is attending, as in other years, the Albany Cathedral Summer School for Clergy.

KEW-Forest SCHOOL.

Closing Exercises Held on June 11 Before a Large Audience.

The Kew-Forest School observed the rounding out of its second year of activity in this community by appropriate exercises in the school on the morning of Friday, June 11. The following pupils took part in the program: Mary Rue Marsh, Arthur Forster Willson, George H. Wicke, Helen Houston Ward, Mildred Millar, Harold Alfred Renshaw, Dorothy Holbrook Smith, Christine Thom Forgie and John Tryee Montague. There were two musical numbers from the operetta, "Sylvia," and these, as well as the other songs, evinced, from the zest with which they were sung, a growing interest among the school members in things of real worth in music.

Mr. Louis Marriott, one of the untiring principals of the school, opened the exercises of the day with the devotional service with which each day's school session is begun. Later in the program, Mr. Guy H. Catlin spoke of some of the goals already reached by the school, and many others which the patrons hope to reach—among them being an addition to the school building in the near future. The school was very fortunate in having Judge Charles F. Moore present on this second anniversary. His address will be most pleasantly remembered by all who heard him. After the awarding of honors and prizes by Mr. David Millar to the fortunate pupils who had earned them by a year of persistent work in their studies, the morning's exercises closed with the singing of the school song—a song which characterizes, in a peculiar way, the joyous affection which all Kew-Foresters already feel for their Alma Mater.

During the year, the pupils, now numbering about one hundred and thirty, have the opportunity of speaking in rotation before the school each Friday afternoon. From these weekly programs the nine speakers who took part on Friday were chosen, and they gave a very pleasing exhibition of the year's work in this line, by the ease and grace with which they delivered their numbers. Besides the speaking, the Kew-Foresters have essayed into the fields of debate and mock trial, while in drama, Shakespeare and a modern operetta were attempted.

OPERETTA PICTURES.

A number of pictures were taken of the groups in "Cinderella in Flowerland" by Austin K. Hanks. Mr. Hanks has given the negatives and ten master prints to Mrs. George A. Douglass, 50 Exeter Street, so that it will be possible for the Mothers' Club to increase their Community House fund through the sale of these pictures. The pictures will be eight by ten inches and may be bought from Mrs. Douglass for one dollar each, fifty cents of which will go to the fund, for Mr. Hanks donates fifty cents on each picture as his contribution to the fund.

"CINDERELLA IN FLOWERLAND"

A Successful Performance Given in Olivia Park by the Children for the Community House

Not to the knowledge of the scribe, a three-year resident of the Gardens, has any more charming or appropriate entertainment been given in Olivia Park than the operetta, "Cinderella in Flowerland," presented by 138 of our own children for the Mothers' Club Community House fund. Children dressed as flowers, violets, mignonettes, sweet-briars, daffodils, lily bells, narcissi, buttercups, poppies, pansies, tiger lily and holly hock, all dancing and singing in the choice bit of woodland, the natural amphitheatre, Olivia Park, presented a colorful, fascinating sight, not soon to be forgotten by those who were fortunate enough to be there. The singing and dancing sunbeams and raindrops all helped to make the picture a winsome one.

The princely Prince, Palmer Sealy; the gracious and dignified Mother Nature, Helen Smart; the successfully quarrelsome Tiger Lily, Joy Mays, and her companion, Holly Hock, Affa Gray; whistling, singing Robin Red, Henry Robinson; the buzzing, sipping Bonnie Bee, Helen Renaud, all deserved the applause so gladly given by relatives and friends. The really, truly star, however, was Modest Daisy, transformed into Princess Marguerite—little Helen Kershaw—pretty to look at, modest, sweet and clear of voice, perfectly fitting the part of Cinderella. From the charming Prologue singing by Mary Marsh and Muriel Fraser to the Epilogue there was not a hitch in the two-hour performance and there is a delightful memory for us all of dancing, singing flowers.

Credit for the success of the affair is due to the thirty or more adults who helped with music, costumes, hats, refreshments, stage setting and many other things—space forbids mentioning all—but Mrs. Donald G. Clark, the director, deserves to receive the bouquets, as she literally did, when the butterflies and others presented her with beautiful baskets of flowers. The conception of it all and the skillful direction at her hands made the affair a success. Mr. Walter Hartwig, a good helper in stage setting and in training of speaking parts, made a hit in his intermission speech for the Community House.

The treasurer tells me there are \$500 and more added to the fund by the operetta receipts.

After the operetta, twenty automobiles, filled with the children who had taken part, paraded through the streets. The banners read, "Build the Community House for Us."
