## MRS. ADAMS ELECTED PRESIDENT

**Women's Club Holds Annual Meeting—Mrs. Smith Alford Speaker—Czecho-Slovak Folk Songs Please.**

Mrs. Robert C. Adams, for many years a resident of Forest Hills, whose home is on Deepdene Road, was elected president of the Women's Club, at the annual meeting held at the Inn on the afternoon of May 5. Mrs. Adams has been a member of the moving picture committee and at one time she was third vice-president. In accepting the office, she complimented the various chairmen on work accomplished, not forgetting past presidents, and expressed her determination to deserve the confidence of the members. Other officers elected were Mrs. C. P. Tompkins, Mrs. W. E. Woodard and Mrs. A. J. Wilson, vice-presidents; Miss Rose Terry, recording secretary; Mrs. Frederick B. Humphreys, corresponding secretary; Mrs. James H. Cassidy, treasurer, and Mrs. Prentiss D. Wynne, Mrs. E. H. Mays, Mrs. A. E. Kretschmer and Mrs. F. R. Getz, members of the board.

The report of the treasurer, Mrs. W. E. Woodard, showed a balance of \$525.67. Mrs. John A. McFarlan said that 59 new members had been added during the last year. Miss Wilhelmina Backus reported calendars, letters, etc., mailed by her to the number of 3,142.

Mrs. Otto L. Grever presented the new banner, designed by her husband and ordered by the club, and it was accepted by Mrs. L. D. Speir, the retiring president. The banner contains an allegorical head of a woman of beauty and aspiration and acorns and oak leaves to represent the strength of the club.

Mrs. John M. McMillin reported for the philanthropic chapter that much help had been given the Jamaica Day Nursery, that a scholarship boy of Newtown High School had been aided by the club to the amount of \$150, that \$100 had been voted for the building fund of the Working Girls Hotel, conducted by the City Federation and that other charities had been assisted. Mrs. E. M. Guyon reported for music and Mrs. George Smart for the Library. Mrs. V. W. Miller, in telling of the work of the civic committee, showed that 22 lots had been adopted by children and for that work Harford Getz had received the first prize. The Continental zone is the prize one and the captain is Mrs. Harry D. Robins. Through the help of Mrs. F. M. Knowles, a large truck has been sent to Forest Hills for ash collection, street cars have been cleaned, Continental Avenue has been repaired and Austin Street cleaned. The food store committee under Mrs. Ralph E. Renaud, as reported by Mrs. Miller, showed that 8 of the 13 stores of Forest Hills are approved.

Mrs. Adams and Mrs. A. M. Gray will be the delegates, Mrs. E. H. Mays and Mrs. Getz will be alternates to the Long Island Convention of Women's Clubs to be held at Bay Shore on June 6.

Mrs. W. P. Sauer read the report of Mrs. Eugene Mackey, who attended a meeting of the Second District of the State Federation at Garden City recently.

Mrs. Smith Alford, of Flushing, using humor and pathos, spoke most appealingly of the work of the Family Welfare Society of Queensborough.

The singer was Alois Havrillo, who rendered charmingly in a well trained voice, the folk songs of Czecho-Slovakia.

Mrs. Speir, in retiring, expressed her thanks to all who had helped to carry on the work during the last year.

The new members are: Mrs. H. E. Hanes, Mrs. F. L. Marsh, Mrs. C. E. Scoville and Mrs. Jane B. Wilkinson.

## WILL DISCUSS LOCAL BUILDING CONDITIONS

An open meeting of the members of the Gardens Corporation will be held at 8 o'clock Monday evening, May 12, in the Church-in-the-Gardens. Reports of the work of the corporation in the last six months will be given. Also future building plans in the Gardens will be open for a full discussion.

## WONDERS OF RADIO

**Men's Club Listens to Address by Mr. Hogan—Developments to be Expected.**

When President Coolidge spoke recently at the meeting of the Associated Press at the Waldorf, his speech was heard by people many miles distant before it was heard by those sitting not far from him in the banquet hall. This was because his voice, carried on the wings of radio, traveled at the rate of 600,000 cycles per second, compared with about 60 cycles as the usual rate of traveling for the unassisted voice. This was one of the interesting statements made at the meeting of the Men's Club at the home of Guyon L. C. Earle, Friday evening, May 2, by the speaker of the evening, John V. L. Hogan, consulting radio engineer. Although radio has become popular and of extensive use only within three or four years, Mr. Hogan has been studying it since its early infancy, about 20 years, and is a master of the art. With great fluency and as simply as anyone could handle such a difficult subject, he told of the transmitter, the conveyor and the receiver of radio messages, and answered numerous questions from members of the club.

Asked as to probable developments, Mr. Hogan said that it is confidently expected communication with the cities of Europe by radio telephone will be established, and that it will also be possible for one to telephone to friends traveling on the ocean. He said that he looks for the reduction of the number of transmitting stations, their improvement,

A Familiar Object on Station Square

and the bettering of the programs. The cost of transmitting stations, he said, ranges all the way from \$50 to \$30,000. There are now thirty powerful stations.

George H. Wicke, Markwood Road, and Horace Hume, Seasongood Road, were elected to membership.

President Daniels announced that the next meeting of the club would be held Wednesday, May 28, at the home of George B. Hanavan, when new officers will be elected.

### A VERITABLE FAIRYLAND

SPENCER says that the quality of life is determined by the degree of response to the environment. What other response can the residents of Forest Hills have to charmingly restful and colorful environment which the shrubbery affords today than to want to know more about these growing things and to protect them? Harriet Keeler's "Our Northern Shrubs" will give an intimate acquaintance with the forsythia, azalea, magnolia now in bloom, and the dogwood, wild honeysuckle, rhododendron, weigela, spiraea, syringa and many more, which will bloom later and many of which will have the red berries in the autumn. The soft green outline and the colorful blooms of all the beautiful planting of shrubs in the parks and in the gardens help to make this village distinctive, a joy not only to those of us who live here, but to all who pass up and down our winding streets.

### A BEAUTIFUL ENDING OF THE EARTHLY LIFE

Just before twilight, on May 6, Caroline Alden Vose left her beautiful home, 97 Continental Avenue, for "God's Other Room." All over the village the deepest sympathy was at once expressed for the parents, Mr. and Mrs. Alden H. Vose and the brothers, Baldwin and Alden and for the uncle and aunt, Mr. and Mrs. M. J. Dannatt. Services were conducted at the residence Thursday afternoon, May 8, by the Rev. C. E. Silcox, of the Church-in-the-Gardens, and the body was placed in the vault in Maple Grove Cemetery.

Caroline was born in Clinton, Iowa, February 3, 1905. She had attended Kew-Forest School, Miss Ely's School, and would have graduated from the Bennett School June 2. She expected to enter the University of Wisconsin or the University of Virginia next fall. Unassuming and modest, with a keen sense of humor and most mature judgment, she knew how to make friends and to keep them. In the last hours, after a long and severe illness of pneumonia, with perfect consciousness, she told her loved ones that she must go and then clearly said: "I saw God and He called me." In the poet's words:

"Never the spirit was born, the spirit will cease to be never;  
Never was time it was not; End and Beginning are dreams!  
Birthless and deathless and changeless remaineth the spirit  
forever,  
Death hath not touched it at all, dead though the house of  
it seems!"

### BOOK CIRCULATION GROWING

Certain statistics given in the report of the library committee at the meeting of the Women's Club are a proof of progress.

Number of books circulated during the last year, 10,325. (This is an increase of 183 over the former year, and more than double that of three years ago.)

Juvenile circulation during the year, 3,316.

Number of books sent from the central building at Jamaica to the Forest Hills Station last year, 676. (This is a great improvement over other years.)

Number of adult members registered, 774; number of juvenile members registered, 71; total, 845. (The number of members has rapidly and greatly increased through the last two or three years.)

MacKinley Helm, lay assistant at St. Luke's Church, will be open for tutoring appointments after June 1. Address, General Theological Seminary, 175 Ninth Avenue, New York.

### OFFICERS RE-ELECTED

Choral Club Holds Annual Meeting—Adopts New Constitution—Will Have New Director.

The following officers of the Forest Hills Choral Club were re-elected at the annual meeting held Tuesday evening, April 22, in the Social Room of the Church-in-the-Gardens: Mrs. Charles H. Scammell, president; Mrs. James R. Woodrough, Mrs. Albert N. Atkinson and Mrs. Frederick W. Kiendl, vice-presidents; J. Gorton Marsh, treasurer; George H. Boyce, secretary, and Mrs. Frederick Kentner, librarian. Samuel McConnell, chairman of the nominating committee, presented these names.

The meeting was enthusiastically attended and the reports were enjoyable, showing great progress. The treasurer reported a balance of \$400.

The club adopted a new constitution and by-laws, prepared and presented by Judge George H. Boyce.

A new conductor has been engaged for the coming year—Alfred Boyce, brother of Judge Boyce. Mr. Boyce comes to the Forest Hills Choral Club highly recommended by Bruno Huhn, and it is expected that he will make a most inspiring leader. Mr. Boyce has been the accompanist of the Apollo Club, Brooklyn, for ten years; organist and choir master of St. John's Protestant Episcopal Church, Jersey City, and the conductor of the Bergen County Choral Club. His studio is at 57 West 53d Street. Miss Alice Shaw has been re-engaged as accompanist. It is with confidence and determination that the club looks forward to the next season, and there is a resolution on the part of the members to make it even a better year than this year.

The next number of the BULLETIN will publish plans for the coming year.

### APRIL SHOWER A DOWNPOUR

The April Shower held in the ball room of the Inn, by the courtesy of the management, on the afternoon and evening of April 25, proved to be a veritable downpour. The fashion show which always attracts a crowd, held both afternoon and evening, was surely a perfect joy, for tiny tots, young girls, and young matrons—75 in all—displayed the latest styles with ease and abandon. There was an opportunity to have one's fortune told, home supplies were for sale, mah-jong sets were sold, gifts, perfumes, hand-woven spreads, etc., were all for sale. Waffles were served as refreshment! Evelyn Enola Rockwell made silhouettes right there in the improvised studio—silhouettes which resembled the subjects and were artistic and charming.

All bills have not been paid and all money has not been received, but there will surely be \$1,000 or more turned over to the Community House building fund as a result of the April Shower, which was conceived by Mrs. Charles H. Poore and carried out by her and a large number of women associated with her.

### CHILDREN DANCE FOR COMMUNITY HOUSE

The closing party and exhibition of Miss Eleanor Stone Rallett's classes in interpretative and character dancing were held in the ball room of the Forest Hills Inn, by courtesy of the management, on Saturday afternoon, May 3. A large number of very attractive children took part, all residents of Forest Hills, and they showed not only their own grace and charm, but the skill, imagination and intelligence of their teacher.

The special dances, Gypsies, Mary Jane, Balloons, Violette, Sweethearts, Dutch Twins, The Venetian, Attria, Pulchinello and Magic Doll, were composed by Louis H. Chalif.

Mrs. Mabel Embree was pianist and musical director.

The party was given under the auspices of the Gardens Mothers' Club and netted about \$100 for the building fund of the Community House. Mrs. Donald G. Clark is president of the club.

### PLANS FOR JULY 4 UNDER WAY

A meeting of the executive committee of the Celebrations Association was held at the Forest Hills Inn on Thursday evening, May 1, 1924, at which further details of the program for the coming July 4 celebration were announced. Mack Davis' Paradise Recording Orchestra of fifteen pieces has been engaged for the dance in Station Square.

The incorporation of the association is now an accomplished fact, and the dissolution of the old organization and the transfer of its assets and liabilities to the new incorporated association are in active progress.

## MANY BEAUTIFUL HOUSES BEING CONSTRUCTED

Colton & Ayres, architects, report the following work recently completed and now under way:

Louis F. Musil, treasurer of the Henry L. Doherty interests, has erected a beautiful house at the end of Tennis Place on Exeter Street.

Immediately across the street is the new house of George B. Hanavan, treasurer of the Gardens Corporation.

On the corner of Wendover Road and Rockrose Place is the new house of Harry E. Hanes, president of the Standard Appraisal Co.

Facing Hawthorne Park on the west side of Beechknoll Road, Frank Richards, the builder, of Brooklyn, is erecting eight two-family houses and two detached houses. On the northerly side of Borage Place he has started construction of four two-family houses of similar design and construction as the others.

On Dartmouth Street, backing up against the West Side Tennis Club, Horace L. Willson, president of the Columbia Graphophone Co., is erecting a stucco and tapestry brick house and a two-car garage with servants' quarters above.

John P. Welsh, of Welsh Brothers, who have the contract for the widening of Queens Boulevard from Kew Gardens to Jamaica, is building a house on the corner of Greenway North and Rockrose Place.

On Greenway North opposite the Community House, J. Clinton Smith is erecting a home of distinctive design.

On Summer Street opposite Winter, Charles E. Callahan, head of the Plaza Business College, has started the erection of a house of English style.

John B. Reimer, president of the Queens County Guarantee & Investment Co., has had plans drawn for extensive alterations to his present home on Greenway North.

In the Cord-Meyer Development, G. Zeron, president of the Garon Construction Co., Inc., is erecting a dwelling on Fife Street north of Seminole Avenue.

Edward P. Kenney has retained Colton & Ayres to furnish preliminary sketches, estimates, etc., for a series of Gardens Apartments to correspond generally in design to the architecture of the Gardens, on the property recently purchased by him from the Long Island Railroad on the south side of Austin Street immediately adjoining the concourse leading to the Long Island Railroad Station.

## ADVISORY COMMITTEE OF COMMUNITY HOUSE ACTIVE

A meeting of the reorganized advisory committee of the Community House was held Friday evening, April 25, at the home of J. Gorton Marsh, with representatives present from the Men's Club, the Women's Club, the Community Council, the American Legion, the Gardens Players, the Gardens Mothers' Club, and the Church-in-the-Gardens. The committees on ways and means and on building were also represented. Thurlow M. Gordon was chosen temporary chairman, and Gardner Osborn temporary secretary. The following were elected members-at-large of the committee: E. J. O'Shea, Guyon L. C. Earle, Dr. P. G. Cole, Robert C. Adams, and Robert McKee. Herbert Chase and Dr. J. A. Corscaden were chosen alternates. Chairman Gordon was authorized to appoint such committees as he might deem advisable.

In addition to names published in the last BULLETIN, of those who represent various organizations, Melville Greig, for the Young People's Society of the Church-in-the-Gardens, and Mrs. James Rea, for the Women's Guild, should be added to the list on the advisory committee.

It was announced that revision of the plans for the building was under consideration, in order to reduce the cost. Another meeting is to be held at an early date, at the call of the chairman.

## TEA ROOM IN OLD CLUB HOUSE

In the old Country Club House, at the head of Ascan Avenue, now owned by S. W. Eckman, in the lower floor of which George C. LeBlanc and family live, a tea room and gift shop will be opened on May 30. The enterprising partners in this new business are Mrs. George C. LeBlanc and Miss Claire Courtenay, both well known in Forest Hills, where they have lived for many years and have taken an active part in the life of the village. The name of the business will be the "Priscilla and Claire Tea Room and Gift Shop," and it will be open from 11:30 a. m. to 6 p. m. daily. Tea, sandwiches, salads and cakes will form the menu, baking will be done to order, and gifts and favors will be sold. The location on Metropolitan Avenue is a favorable one.

## THE INN

Rev. Mr. Silcox, of the Church-in-the-Gardens, was host at a luncheon party in the sun parlor on Monday.

Mrs. F. S. Osburn, of 44 Continental Avenue, entertained at a charming luncheon on Tuesday.

Mrs. J. P. Downs was also hostess at a bridge luncheon on Tuesday.

The pupils of Miss Eleanor Stone Ranlett's dancing classes gave a most delightful exhibition in the ball room under the auspices of the Mothers' Club of Forest Hills. It was for the benefit of the Community House building fund.

This performance amply demonstrated again—if such a thing were necessary—how splendid and thorough an artist and teacher Miss Ranlett is.

Mrs. Harold Sweet was hostess at her Tuesday Card Club last week.

Through the courtesy of the Radio Shop, the many guests of the Inn were privileged to listen to the speech which President Coolidge made before the Associated Press at the Waldorf recently.

The bazaar and the fashion show for the benefit of the Community House a week ago proved how capable an executive Mrs. Charles H. Poore is, for it was through her untiring efforts that the affair was made such a delightful success.

Mrs. Robert Fullerton was hostess at a bridge and tea in the sun parlor recently.

The benefit ball for the Mary Immaculate Hospital of Jamaica was one of the largest and most enjoyable dances ever held at the Inn, and netted the committee a very substantial sum.

It will no doubt surprise many people to know that the Forest Hills Inn was 12 years old last Wednesday and to celebrate this event Mr. Meade, the manager, ordered a huge and extremely decorative birthday cake which was cut by Miss Adele Shaw, who has been a guest at the Inn since the opening. A delightful and witty speech from Miss Shaw charmed and amused the large audience which gathered for this party. This was followed by general dancing in the ballroom.

Mr. and Mrs. A. J. Blakeley have arrived from California to spend the summer at the Inn.

Returning from a trip to Bermuda, Mr. and Mrs. Louis Williams are making their home at the Inn while awaiting the completion of their new home in the Gardens.

W. E. Bodinghouse arrived recently from a trip to the Canal Zone and the West Indies.

Mr. and Mrs. W. E. Wilkinson have arrived from the South and are staying at the Inn.

William Schultz has returned from an extended Western trip.

W. A. Dudley and mother, Mrs. Virginia Dudley, have returned to the Inn to make their home.

Mr. and Mrs. Basil D'Emo and children have arrived from a winter spent in Florida.

Recent arrivals at the Inn include: T. W. Fowler, of Washington, D. C.; Arthur Davis, Herbert Fell, Joseph Sheehan and J. W. Zoller, all of New York; J. C. La Spada of Los Angeles, Calif.; Stephen Avery, of Forest Hills; Mrs. Arthur Woods, of Los Angeles.

Mr. and Mrs. Goodell Hill, of Chicago, have arrived at the Inn for an extended stay.

A charming addition to the artistic colony already registered at the Inn is Mrs. I. C. McCowen, of New York. Mrs. McCowen is a well known miniature painter.

Mrs. Robery S. Hyde, of Santa Barbara, Calif., is staying with Miss A. McPike prior to her departure for Europe.

The Baron and Baroness de Goncer, of Biarritz, France, arrived on the Belgenland on Monday, and are now staying at the Inn.

W. H. Haynes and daughter, Miss Roberta, of Berkeley, Calif., are registered for an indefinite stay.

Mrs. W. G. Moore was the guest of Mr. and Mrs. Walter T. Adair and sailed with them for Europe on Tuesday last.

## WILL SELL MAPLE SYRUP

Mrs. Arthur H. Flint, 92 Beechknoll Road, is prepared to sell genuine New Hampshire maple syrup for the benefit of the Community House.

## THE CHURCH-IN-THE-GARDENS

Last Sunday morning the sacrament of holy baptism was administered to nine children. The combined choirs sang Gounod's "Sanctus" and the minister preached on "The Spiritual Value of Play." At the Junior Church, two boys from the choir of the Church of the Transfiguration in Brooklyn, Masters Herman Kern and Wesley Petersin, sang Saint-Saens "Ave Verum," and short addresses were given by E. H. Lockwood, General Secretary of the Friendly Relations Committee among Foreign Students, and by a Filipino who is studying in the United States.

Children's Day will be observed in conjunction with Whitsunday on June 8. A program similar to that of former years is planned, although it may be necessary to divide the program between the Junior Church and the regular morning service, as hitherto the seating capacity of the church is taxed to the limit for this service. The children who expect to be graduated from the Primary to the Junior Department are busily engaged on their memory work as this year the Bibles will be presented only to those who can recite Psalm 23, the Ten Commandments (short form), the Beatitudes, the names of the books of the Bible in order, and certain specified hymns.

As next Sunday is Mothers' Day, Mrs. Alexander Greene, soprano, will sing Frank E. Tours setting of Kipling's "Mother o' Mine." An augmented choir will sing Beethoven's stirring and joyful "Hallelujah Chorus" from "The Mount of Olives." The choir will sing Buck's "Jubilate Deo" on May 18 and on May 25, the Sunday before Decoration Day, their number will be Horatio Parker's "Union and Liberty."

The group of members of the Women's Guild, headed by Mrs. Charles H. Poore, who arranged the April shower at the Forest Hills Inn for the benefit of the Community House, have made a very tidy sum for the cause. The shower was the result of a suggestion that each member of the Guild seek to raise in some way \$100 this year for the Community House. If this were done, \$15,000 would be raised in all. Mrs. Poore, in association with a number of other women, took this method of raising their quota.

The altar flowers on April 27 were given by Mrs. George H. Merrill in memory of her father, William S. Wandel, and last Sunday by Mrs. E. B. Wylie, in memory of her mother, Mrs. Mary Beggs.

## SALVATION ARMY MAKES APPEAL

The Salvation Army Home Service Appeal for \$100,000, needed in Brooklyn and Queens, started on May 4 and will continue until May 17. Four institutions will be benefited: Brooklyn Nursery and Infants' Hospital; Ridgewood Settlement and Day Nursery; Central Relief Station; Industrial Home for Men and 11 local corps, each in a community headquarters.

Judge George H. Boyce is chairman for Forest Hills Gardens; Rev. Albert Sheppard for Forest Hills and Jack Cauchois for Kew Gardens. Each resident is asked to make check payable to Salvation Army and mail the check to the chairman of his section of the village.

The adequate facilities of the new church make these services possible during the week. A church that functions on Sundays only is somewhat akin to the "Sunday-Christian." The week-day services will be held in the chapel, with entrance on Cranford Street. The chapel is open daily from 8 a. m. to 5 p. m.

The Women's Guild of St. Luke's Church will give a minstrel and vaudeville show in Masonic Hall on May 24, at 8 p. m. Tickets can be purchased for \$1.50 at Kenney's drug store and from Mrs. Arthur Wright, at 38 Greenway Terraces.

A plea is made for rummage for the spring sale. We need all the things you discard after your spring housecleaning. Phone Mrs. Zollinger, Virginia 0040, or leave rummage at the old church building.

## NEWS OF THE NEIGHBORS

Mr. and Mrs. Walter N. Burr, Toronto, spent last week with Mr. and Mrs. Edwin Bush, Seminole Avenue. Mr. Burr, who is a golf enthusiast, and who has played on many of the finest courses, says the Queens Valley Golf Course, when completed, will equal any in the country.

Yesterday afternoon, in the Social Room of the Church-in-the-Gardens, the Women's Guild met and heard a very clear address on the subject, "Is it better to give to Organized Charity?" Mrs. Henry Hof, as chairman of the benevolent committee of the Guild, had charge of the meeting and introduced the speaker. The hostesses were Mrs. C. E. Burton and Mrs. Lydia Small.
