## MUCH ACCOMPLISHED

### Gardens Corporation Officers Report Year's Work to the Satisfaction of Members.

"The condition of Forest Hills Gardens today constitutes the best report of the Gardens Corporation" said Lawrence F. Abbott, president, in opening the annual meeting of the corporation in the Church-in-the-Gardens on the evening of Oct. 29. The report of the treasurer, George B. Hanavan, is given elsewhere in this issue.

The reports of the chairmen of committees followed. Dr. William A. Hume, whose title is chairman of up-keep, told of the many duties of his committee. Complaints had come because of the trucking through the Gardens. The trucking, he declared, is a necessary nuisance, but is controlled as much as possible. It was announced that there would soon be a playground for boys. After Dr. Hume told of the repairing of the streets, of the cleaning of them during winter and summer and various other duties, the president said "The most work falls on the up-keep committee."

Walter D. Teague for the architectural committee stated that 140 plans had been passed upon during the last year. All plans go to Colton & Ayres, architects, for examination and approval and then they are passed by the office of Grosvenor Atterbury, before the construction is started.

Judge John R. Davies, speaking for the law committee, facetiously said that most of the work reported by other committees had been accomplished by the lawyers. The fact that restrictions similar to those in the Gardens would be enforced on four blocks of the Vanderveer tract and three blocks on the Debevoise land was due to the law committee's work, he said. Title companies are sympathetic and helpful in requiring restrictions. Relief from taxes on underground improvements is expected soon. Horace H. Hume reported on membership the figures given in the last BULLETIN.

A resolution was adopted that the members agree to pay a maintenance not to exceed four mills per square foot, instead of the two mills maintenance and two mills dues as now charged. The resolution was approved and will be put into force as soon as 66 2/3 per cent. of members sign the agreement.

Five amendments to the constitution were adopted: to provide that (1) work shall go to directors according to their training; (2) that tax on private parks be reduced from 15 mills per square foot to four mills per square foot; (3) that four directors serve three years, four for two years and three for one year and that this be decided by lot; (4) that membership shall not be transferred by selling property; (5) that purchasers must be passed upon for membership.

After the report of the nominating committee, Dr. R. W. Waddell, G. Willis Drake and Herbert P. Luce, the following directors were re-elected: Lawrence F. Abbott, Judge George H. Boyce, M. M. Davidson, Judge John R. Davies, George B. Hanavan, Dr. W. A. Hume, John M. McMillin, Edgar D. Sealy, Louis D. Speir, Lyman B. Stowe and Walter D. Teague. Mr. Davidson has been on the board for a number of weeks in the place of Louis P. McGahie, resigned.

## DIRECTORS MEET

The directors of the Gardens Corporation met on Nov. 7 and re-elected the same officers and chairmen of committees. They drew lots for the number of years each director would serve. The result follows: for one year, Walter D. Teague, E. D. Sealy and Judge John R. Davies; for two years, Lawrence F. Abbott, L. D. Speir, L. B. Stowe and Judge G. H. Boyce; for three years, John M. McMillin, George B. Hanavan, M. M. Davidson and Dr. W. A. Hume.

## NEWCOMBE ELECTED

Richard S. Newcombe, of Forest Hills, was elected District Attorney. Forest Hills gave Mr. Newcombe 516 votes and Dana Wallace 168. votes.

## NOTED LECTURER HERE

### Edward Howard Griggs Speaks—Women's Club Admits Twenty-two New Members

Edward Howard Griggs, who has lectured a greater number of times than any one in the United States today, spoke before the Women's Club, Monday afternoon, in the Social Room of the Church-in-the-Gardens, on the subject "Lights and Shadows of the Present Age." He was introduced by Mrs. George Smart, chairman of the library committee. He described the let-down spiritually since the war. "This is an age of machinery" he said and then pictured industrial struggles and material standards. "Human freedom comes with machinery if we have justice and intelligence" he continued. Leisure activities, jazz, movies, pleasure automobile, the press, women in industry, young people, were all treated, showing the dark and hopeful sides. The speaker praised community singing and said that there is more real religion in the world today than formerly. "America must be the moral leader of the world and so help to bring democracy and brotherhood," declared Mr. Griggs, "and she will, for we are latent idealists."

The club voted \$25 for the philanthropic chapter. Mrs. Virgil W. Miller reported that Mrs. Ralph E. Renaud had become chairman of the food stores. The prizes will be re-awarded in January. The zone captains will meet Nov. 23 to compare summer work and further plans for the winter. Mrs. Miller suggested that ash cans be removed from the sidewalks within two hours after they are emptied.

Miss H. Chernyk, manager of the Forest Hills Theatre, asked for the co-operation of the women in her effort to put on good pictures. She says that only the most worth while pictures pay in Forest Hills. Mrs. Martha M. Allen and Mrs. E. M. Guyon reported the meeting of the City Federation.

Miss Laura Nemeth, of Forest Hills, prima donna of "Blos-

THE NEW HOME OF N. R. WILKES

Architect, Edward F. Fanning. Builder, Sage Foundation Homes Co.

som Time," sang a group of songs.

Donnelly, Mrs. Archibold R. Eaton, Mrs. Henry Hof, Mrs. H. M. Jackson, Mrs. Enid de Lima, Mrs. Florence G. McGill, Mrs. Eugene Mackey, Mrs. John G. Murphy, Mrs. Charles B. Nelcamp, Mrs. George A. Powell, Mrs. Ernest A. Reed, Miss Julia R. Renwick, Mrs. C. E. Silcox, Mrs. Joseph Stanley-Brown, Mrs. H. C. Swetsch, Mrs. S. N. Sondheim, Mrs. Sterrett Thomson, Mrs. W. Harcourt Woods.

Mrs. Forry R. Getz, vice-president, was in the chair, in the absence of Mrs. Louis D. Speir, president.

The current readings chapter will meet at the home of Mrs. J. Gorton Marsh, 68 Greenway North, on the afternoon of Nov. 20 when the Rev. Mr. C. E. Silcox will review "The Dance of Life" by Havelock Ellis. Mrs. William Kershaw will be assistant hostess.

**THE EVIL SPIRITS**

CHALK has been marked all over posts, mail boxes and sidewalks. Gates have been stolen and flower vases have been broken. The automobile of one resident was seriously damaged when parked in front of the Forest Hills Theatre. All of this took place on Hallowe'en night. We do not belong to the class which constantly sees the wickedness of the rising generation—we once belonged to it. So we cannot blame this destruction on boys and girls. The evil spirits, of course, are responsible. How fine it would be if all of the parents of the town would banish all evil spirits from their homes and from the village. Forest Hills is a beautiful place, architecturally, landscapedly, and it is famous for the civic pride which abounds here. Evil spirits do not harmonize with the place. Let us keep them away forever.

**SUPPORT THE FOREST HILLS ASSOCIATION**

A number of efforts are being put forth in Forest Hills, by various agencies and individuals, with the laudable intention of correcting certain nuisances and the procuring of certain improvements. As far as the North Side is concerned, the organization best fitted to accomplish the ends we have in view is the Forest Hills Association. The executive committee of the association has been diligently working during the last year or so, especially the civic committee. This work has borne fruit, which may be seen in the improved streets, etc. Much remains to be done, and that the greatest and most difficult part. We doubt very much whether efforts spread over a number of agencies will accomplish as much as a concerted and enthusiastic effort of the entire community acting through the established channels of the association. This ought to be the clearing house for all ideas for civic improvement, and their execution can be more effectively brought about by a united effort directly focused. A call will soon be sent out to the residents here to meet at the Club House on Seminole Avenue for the purpose of gathering the mind of the community, and soliciting earnest co-operation in bringing to a satisfactory issue the task the association has undertaken.

**NOTED EDUCATOR TO SPEAK**

Angelo Patri, principal of Public School 45, the Bronx, will speak in the Social Room of the Church-in-the-Gardens on the evening of Nov. 19, under the auspices of the Gardens Mothers' Club. His subject will be "Some Aspects and Prospects of the Child." Mr. Patri is the author of "School Master of the Great City," and his daily articles in the *New York Evening Post* are syndicated all over the country. The pupils of his school edit a magazine entitled "School Review," for which he writes. Tickets for the lecture will be 50 cents each.

**BENEFIT FOR JAMAICA HOSPITAL**

Many plans are being made for a card party to be held at Forest Hills Inn on the evening of Nov. 21. George J. Bermbach, manager of the Inn, offers the large ball room without charge. Mrs. Burns Mantle, Mrs. Ralph E. Renaud and their able committee members are arranging the party, and Mrs. L. R. Blackhurst is receiving reservations for a large number of tables. Mrs. Blackhurst may be reached by telephone, Boulevard 6887-J. The tables are \$5 each and single tickets are \$1.50. All of the proceeds go to Jamaica Hospital.

**REV. MR. SILCOX INSTALLED**

Rededicates Church-in-the-Gardens to the Service of the Community.

With impressive services, Rev. C. E. Silcox was installed as the minister of the Church-in-the-Gardens last Tuesday evening under the auspices of the Congregational Council, prominent ministers of Queens, Brooklyn and New York participating. Although the church has always been connected with the Congregational denomination and received financial support from it in the early days following its organization 11 years ago, its foundations were broadly laid and Mrs. Sage in presenting the beautiful edifice requested that all who loved the Lord should always be welcomed there. The Rev. Albert Sheppard, of the Presbyterian Church, and the Rev. W. P. S. Lander, of St. Luke's, were present.

Mr. Silcox, in making the customary statement of faith and purpose to the council, said in part: "This church has always insisted upon its autonomy and always will do so. It is opposed to placing emphasis on denominationalism. It is committed to a program of service to the whole community. The plans for the Community House provide that the control of the use of the building except on Sunday shall be vested in a board of governors. This is essentially and dominantly a community church, administering to the social as well as the spiritual needs of the people."

Mr. Silcox spoke earnestly of the ideal church as one which is dynamic, holding to the essentials of faith, but expanding to meet every new need, finding a platform large enough to satisfy all hungry souls.

In the afternoon the council voted that Mr. Silcox's statement was entirely satisfactory and in the evening he was solemnly installed as minister. The sermon was preached by Rev. Albert Parker Fitch, D.D., New York, and other numbers on the program were:

Words of Counsel to the Minister, Rev. Oliver Huckel, D.D., Greenwich, Conn.; Words of Counsel to the People, Rev. Lewis T. Reed, D.D., Brooklyn; The Right Hand of Fellowship, Rev. Arthur Maland Ellis, Richmond Hill.

Dinner was served in the Social Room to seventy-five guests.

A beautiful program of vocal and instrumental music was rendered at the evening service, under the direction of Mrs. Charles H. Scammell.

**MEN MAKE MERRY**

The first meeting of the Men's Club this fall was held Oct. 26 at the home of H. W. Hardinge, 75 Greenway South. There was no formal speaker. It was a get-together made-in-Forest Hills evening. The new members and a few of the old ones were called upon to tell who they were, what business they were in and other details. Two of the interesting items that came to light were that James H. Cassidy used to be a Congressman and that J. Gorton Marsh used to work in the stock yards. One of the features of the program was the playing of Harlowe Hardinge, who performed nobly upon a saw. He has played, it was announced, before all the crowned heads of Europe, but is now living a simple, unostentatious life in Forest Hills. The new members elected are: James Isaacs, 14 Ivy Close; Boyden Sparkes, Puritan Avenue, and Neils Frode Holch, formerly in the banana business in the Virgin Isles, but now living at 125 Ascan Avenue.

**JUDGE MOORE'S NEW BOOK PUBLISHED**

"One Thing and Another," a book of essays by Judge Charles F. Moore, is being printed by William Edwin Rudge, Inc. The book has an introduction by Dr. Frank Crane, and includes some of the speeches which have made Judge Moore famous throughout the country and also some that are given to the public for the first time. Dr. Frank Crane, George Gordon Battle and the Hon. John W. Davis all speak in the highest praise of this new volume. The book will be ready for distribution on Jan. 1.

The annual Hallowe'en party of the Forest Hills Association was held at the Masonic Temple on Tuesday evening, Oct. 30, when a large group of the members of the association attended in costume, together with a still larger group of gaily decorated youngsters.

An electric stove has been given to the policemen for use in their booth on Station Square, by F. M. Knowles.

## SPEEDERS, BEWARE!

The question of speeding on the streets of Forest Hills Gardens was decided by Magistrate James Conway in the Flushing Police Court. Two persons who had been arrested by Traffic Officer Desmond, had raised the defense before another magistrate that these streets were private streets and therefore the traffic ordinances did not apply. The cases had been adjourned until Thursday, Nov. 1, so that a representative of Gardens Corporation could appear. The contention of George B. Hanavan, who represented Gardens Corporation at this hearing, that the traffic ordinances applied to all streets public or private which were used by the public, was sustained by the magistrate who was evidently familiar with the decisions of the Court of Appeals of this state, as he cited them in reading his decision. Both defendants were found guilty. One of the speeders was fined \$25 and the other got a suspended sentence. Magistrate Conway further directed the traffic officer to arrest anyone violating the speed ordinances in Forest Hills Gardens.

## CHORAL CLUB TO HOLD CONCERT

The Forest Hills Choral Club announces that the concert will be held on Friday evening, Dec. 7, in the Masonic Temple. An excellent program will be given because of the weekly rehearsals which are held every Tuesday evening under the leadership of Bruno Huhn. The Gloria Trumpeters will be the visiting artists.

Mrs. C. E. Burton and Miss Dorothy Burton are new active members, and William E. Woodard is a new associate member.

## THE INN

The Inn had its annual Hallowe'en celebration on the evening of Saturday, Oct. 27, in the ballroom, which was profusely decorated. A large crowd participated in the dancing and enjoyed the entertainment until the early hours of the morning. The affair was voted a complete success.

The new orchestra made its first appearance on the evening of Saturday, Nov. 3, and scored a hit.

Among recent private parties was the dinner given by Mrs. W. T. Adair, when she and Mr. Adair entertained 24 of their friends at dinner in the sunporch, after which the guests spent the evening at mah-jongg.

On Saturday, Nov. 3, Mrs. Samuel Castleman entertained a party of 12 at dinner in the sunporch, for which occasion the management supplied some very lovely table decorations.

The close proximity of the Famous Lasky Player's studio attracts many of their stars to the Inn for luncheon and dinner, a number of whom are registered at the hotel. These include Montague Love and Miss Marjorie Hollis. W. O. Hurst, the celebrated motion picture director, in company with his star, James Rennie, and the latter's wife, Dorothy Gish, were also recent visitors at the Inn.

After an extensive trip through the West, Mr. and Mrs. W. H. Batcheller have returned to the Inn, welcomed by their numerous friends.

S. W. Sussman has returned after a prolonged cruise through the West Indies.

A. E. Russell, an attache of the Peruvian consulate, with his wife, were recent guests at the Inn.

Arrivals include Mrs. J. K. Heath, Jr., who has taken accommodations at the Inn for the Winter; Miss Frances K. Cooke, of Chicago; Miss Josephine Agnes Nott of Philadelphia and Mr. and Mrs. A. V. McCarthy of Boston.

The Inn is crowded to capacity and has a large waiting list. On account of this condition, the management would appreciate it if reservations for private dinner parties be placed well in advance, particularly those for Saturday night and the sunporch.

## TO HELP THE NEAR EAST

The home of Mrs. Alden H. Vose, 97 Continental Avenue, will be thrown open on the afternoon of Nov. 14 at 2:30 o'clock to sell fine needlework and other articles made by the Armenians. The money from the sale will be sent to the Near East sufferers. A moving picture will be shown, which will graphically tell the story of the suffering in that stricken part of the world.

## THE CHURCH-IN-THE-GARDENS

Tomorrow is Armistice Day, and the service in the Church-in-the-Gardens will be appropriate to the occasion, the minister's theme being suggested by the Great War.

Arthur H. Flint with the minister represented the church at the New York City Conference last Thursday. At the evening meeting of the conference, Rev. Mr. Silcox was one of the two ministers selected to administer the Holy Communion while the address was given by Bishop Wilbur P. Thirkield, of the Methodist Episcopal Diocese of Mexico.

The steadily growing population of Forest Hills is attested by new enrollments every Sunday in the Church School. A considerable sum of money was raised last Sunday by the children for the Near East Relief.

## SAINT LUKE'S CHURCH

The Women's Guild met at the home of Mrs. Arthur Penn, Shorthill Rd., on Nov. 2. Plans are under way for the annual Guild Supper, to be held some time in January upon the completion of the Guild Room in the new church. Mrs. Geo. Williamson has been appointed chairman of the rummage committee. She is very anxious to hear of things to be discarded and will call for same. It was also voted that the Guild give a window to the church. One of the sanctuary windows has been selected and is under construction in the studio of Henry Wynd Young, who is making the glass for the Cathedral of St. John the Divine.

The girl's clubs, the Junior Guild and Phi Kappa are holding regular meetings and are planning very active seasons.

The Altar Guild held its annual business meeting on All Saints' Day, and elected the following officers: Miss Elizabeth Dana, President; Mrs. Van Manning, Vice President; Mrs. Clifford B. LePage, Treasurer; Miss Louise O'Brien, Secretary. The Guild's gift to the new church is the stone for the altar.

## LEGION POST AND AUXILIARY ACTIVE

The members of the Forest Hills Post of the American Legion spent Nov. 6 at Mitchell Field, Garden City, at the aviation meet, for the benefit of the soldiers' hospital fund. The Shenandoah Z-R 2 came over from Lakehurst.

The local Legion post regularly meets at Forest Hills Inn on the second Monday of each month. The meeting held on Oct. 15 was well attended and earnest discussions were carried on. M. J. Folsenbee was appointed chairman of a committee for the celebration of Armistice Day. However, he has decided that it is not practical to have a celebration.

The American Legion Auxiliary meets regularly on the second Thursday afternoon of each month. The auxiliary will give a card party on the afternoon of Dec. 5. The money will be used to give the Forest Hills Post a post flag and to aid the disabled veterans' Christmas fund. Tickets are \$1 each; tables \$4. The party will be held at the Seminole Avenue Clubhouse.

Mr. Worden's address was illustrated with a large number of slides taken of the various activities of the Queens Boy Scout Camp. It is expected that Troop No. 1, in Forest Hills, will be reorganized with a large group. As the organization is entirely unsectarian, it is hoped that every boy in the village over 12 years of age will join.
