CHORAL CLUB CONCERT

First Program of Season on December 8 at Masonic Temple

The community is looking forward to the first concert of the season, to be given by the Forest Hills Choral Club, on the evening of Dec. 8, at the Masonic Temple. A varied and difficult program will be rendered by the club, one that will be up to the high standard of the choral work of last year. Bruno Huhn will conduct and Miss Alice Shaw will accompany the mixed choruses and those to be sung by the men and women separately.

The club will present Margaret McKee, who will whistle the selections which are making her famous in the Music Box Revue. Miss McKee began to whistle when four years old; at ten, she entered the California School of Artistic Whistling; at fifteen, through the sweetness and purity of her tones, she became a concert success all through the west. She has youth, beauty and charm. Through the courtesy of the management of the Music Box Revue she will be allowed to appear in the early part of the program. The program will therefore begin promptly at 8:15 P. M.

Mrs. Edwin Bird Wilson will sing a group of Marie Walters Kennedy's latest songs and she will be accompanied by the composer. Her beautiful voice will be heard to advantage in "My Destiny," "Moon Lane," and "The Rose."

Edwin Grasse, the famous blind violinist, will also appear on the program.

Such a delightful and varied program will appeal to the music lovers of Forest Hills. Dancing will follow the program, when Taylor's Orchestra will furnish the music. Tickets can be obtained from club members or from the drug stores. The individual tickets are \$1.50 each. Refreshments will be on sale.

PLANS FOR CHRISTMAS EVE

The Gardens Celebrations Association is planning for the Christmas Eve program. The executive committee has elected S. W. Eckman president. A committee responsible for the Christmas Eve festivities consists of Mr. Eckman, Mrs. Charles H. Scammell, Fred Stone, Louis P. McGahie and J. Gorton Marsh.

New members of the executive committee are George H. Boyce, Mrs. Donald G. Clark and G. W. Cunningham.

NATIONAL EDUCATION WEEK

The National Education Week opens on Sunday, Dec. 3. President Harding has issued a call for its observance and in answer to the call the Masonic Lodge, the two Mothers' Clubs, the Women's Club, the Church-in-the-Gardens and the Presbyterian Church are uniting in a mass meeting to be held on Sunday, Dec. 3, at 8 P. M., in the Masonic Temple on Queens Boulevard. Edgar D. Shimer, associate superintendent of schools in New York City, will speak, as will also Judge Newcombe.

MASONS ARE PHILANTHROPIC

The charitable work of the Forest Hills Lodge of F. and A. M. is very considerable, for the genius of Free Masonry rests on charity. No worthy call is ever slighted and no case of real distress is allowed to go unrelieved if it is within the power and ability of Masons to meet it. The record however of its benefactions is kept within the precincts of the Temple and no general publication of the amounts given, is made.

CLUB PROPERTY SOLD

House Will Be Converted Into Two Apartments by the Purchaser

Residents of the Gardens will be interested to know that the old country club property has been sold. This property consists of over seven acres on the south side of Metropolitan Avenue extending from Ascan Avenue to Union Turnpike and adjoins Forest Park on the south.

The clubhouse will be converted into two apartments. The ground floor apartment is to have five large rooms and bath, and the second and third floors will be for one family, with seven good sized rooms and two upstairs open porches. Each apartment is to have a separate front and rear entrance, a large separate yard with garage and a separate laundry in the basement. An oil burner will supply heat.

Work on the new apartments is to proceed immediately and be completed in a short time. It has not been decided whether the bowling alleys in the basement will be divided between the tenants, removed or covered over.

One of the six tennis courts installed for the club will be left for the tenants.

Those who were members of the old Gardens Country Club will be glad to see this property improved. Many good times were enjoyed in this clubhouse by the early residents of the Gardens. In those days Ascan Avenue was not paved through to Metropolitan Avenue, which also was in bad condition. New paving on Metropolitan Avenue has already been installed between the car tracks and the street itself is to be widened and paved shortly.

The old clubhouse was formerly on the Van Sieten farm and stood across Union Turnpike from what is now known as Albert Inn. Part of the old barn still stands. Half of it was burned a few months ago. The old house was removed to its present location by the Sage Foundation Homes Company in 1913. It is of excellent construction, the outside walls being lined with brick between the girders. A builder who recently inspected it remarked: "We could not possibly afford to build as well as that these days."

Plans for the development of the rest of the acreage have not yet been announced. The purchaser is S. W. Eckman, president of the Forest Hills Gardens Homes Co. The purchase by a resident of Forest Hills insures the proper development of this tract lying directly between the Gardens and Forest Park.

THE FOREST HILLS ASSOCIATION

The Forest Hills Association centers its philanthropic work principally around Christmas, when it endeavors to entertain at a Christmas festivity every child in Forest Hills, whether the parents are members of the association or not. At this time, when these children of fortunate homes are remembered and are happy, they bring their gifts which are distributed to children in various hospitals.

The executive committee of the association, together with a large group of ladies in the association, are planning now for the Christmas celebration for the children in Forest Hills.

PSYCHOLOGY "STUDY HOUR"

Mrs. Wallis Henry, 24 Tennis Place Apartments, announces that the Wallis Henry "Study Hour" on applied psychology meets a need in Forest Hills. The third series of the

"Study Hour" will begin on Monday evening, Dec. 4, at 8:20 P. M., and will be held every evening through Dec. 12, at 24 Tennis Place Apartments.

THANKSGIVING

IN THIS country today we have not only the necessities of the Pilgrims—those valiant souls who inaugurated *Thanksgiving Day* in spite of the struggle against sickness and death and while enduring privation and the hardest work—but we also have countless luxuries of which they never dreamed. There are comparative peace and plenty in the United States, while in a large part of the rest of the world, famine, pestilence and suffering are the experience of mankind. Let us remember that the real meaning of *thank* is *think* and that before we observe *Thanksgiving* we must *think*—*think* until we put ourselves in the places of people who suffer in other towns and cities of this country and in other parts of the world. When we have done that, our *Thanksgiving* will take the form of some concrete unselfish service.

Every organization and church of Forest Hills was asked to send a statement of the philanthropies of the season for publication in this *Thanksgiving* number of the BULLETIN. We are sorry all did not respond, but the interested reader will see that there is considerable altruistic effort recorded and we all know that there is much benevolent work of churches and other organizations which never gets into print, and the private charities conducted by the residents of the village must reach a large figure.

Giving brings happiness and so we shall find joy at this *Thanksgiving* season.

PUBLIC SCHOOL CHILDREN ARE GENEROUS

The philanthropies of Public Schools 3 and 101 during the past year have consisted of the following: (1) Liberal donations at Thanksgiving and Christmas time to the Ridgewood Day Nursery and the Washington Heights Day Nursery; (2) One hundred per cent membership in the American Red Cross; (3) Milk is being furnished to a number of needy children (at first this was furnished by the school children, but since last spring the Mothers' Club of Public School 3 has paid for it); (4) The teachers have contributed to the Retired Teachers' Association.

The Thanksgiving Donation this year will go from Public School 3 to the Ridgewood Day Nursery and from Public School 101 to the Jamaica Day Nursery.

CAUCHOIS-MALHAUER

Miss Mignon Cauchois, sister of Mr. and Mrs. Jean Cauchois, 74 Greenway Terraces, was married Saturday, Nov. 18, at 4:30 P. M. in the Church-in-the-Gardens, to Richard Sterling Malhauer. The Rev. W. P. S. Lander, of St. Luke's, performed the ceremony and Mrs. Lander was the organist. Miss Lucils Cauchois, Kew Gardens, was maid of honor and Arthur Monier was best man. The ushers were Frederick Cauchois and Frank McCoy. A large wedding reception was held after the ceremony at the home of Mr. and Mrs. Jean Cauchois. After the wedding journey, Mr. and Mrs. Malhauer will reside in Manhattan.

MUSICAL PROGRAM

Women's Club Active in Philanthropy—Scholarship Awarded to a Newtown High School Student

The Women's Club announces that Havrah Hubbard will give one of his interesting "operalogues" at the meeting of the club on the afternoon of Monday, Dec. 4, at the Inn. Mr. Hubbard will present "Mona Lisa" for the first time, and this is a particularly attractive announcement because this opera is to be produced this coming February at the Metropolitan Opera House. In America today there is no greater musical authority, as the following testifies. Mr. Hubbard has been musical editor of the Chicago Tribune, editor-in-chief of the American Encyclopedia and History of Music and official lecturer of the Boston Opera House. Mr. Hubbard will be assisted by Edgar Bowman, a concert pianist of rare skill and expression.

The Work of Philanthropic Chapter

For several years a group of members of the Women's Club interested in philanthropies have carried on some definite and splendid work. Mrs. J. Gorton Marsh and Mrs. Albert M. Gray have been chairmen, and today, under the leadership of Mrs. Augustine J. Wilson, an interesting program of work is being conducted. For this season the chapter has adopted the Jamaica Day Nursery for its special care. A number of members recently visited the Nursery at 224 Prospect Street, Jamaica, and found that its urgent need was babies' aprons and bibs, a large number of which will be made and donated by the members of the chapter. Fifteen members of the Women's Club have joined the Nursery Association, the annual dues of which are \$2. Mrs. R. N. Williams, Hollis, L. I., is president. Mrs. Wilson says: "With the season just begun we shall probably be called upon for further assistance and outlay. Any member of the club who is interested is cordially invited to attend the meetings of the chapter on the third Wednesday of every month, at the home of the chairman, 80 Ascan Avenue."

Scholarship Awarded

As a part of the work of the philanthropic chapter, a scholarship was awarded last year to a student of Newtown High School, and this was reported in the BULLETIN last winter and spring. Mrs. Lee Galloway, chairman of the scholarship, announces: "The scholarship of the Women's Club of Forest Hills of \$100, which is awarded annually to a deserving, promising pupil in some adjacent high school, is to be given this year to Hudson Kellogg, of Newtown High School."

Mrs. Wilson also gives this interesting bit of news, that an anonymous donor, who is interested in the scholarship boy, has given \$13 to pay for something particularly wanted by the boy.

Mrs. Mays Will Review "Mr. Prohack"

At the home of Mrs. Lee Galloway, 250 Greeway South, on the afternoon of Tuesday, Nov. 28, Mrs. Edward H. Mays will review "Mr. Prohack" by Arnold Bennett, before the members of the current readings chapter.

LAW ENFORCEMENT MEETING

Under the auspices of the Presbyterian Church of Forest Hills and the Church-in-the-Gardens, at the latter church on the evening of Nov. 19, a meeting was held in the interest of law enforcement.

Lawrence F. Abbott, president of the Outlook Company, was in the chair. Mr. Abbott said that he has not been a total abstainer, but now accepts the organic law of the land and stands on the platform expressed by a friend of his, namely, "Personal liberty ends where public injury begins." Mr. Abbott is opposed to light wine and beer because he believes they would bring back some kind of a saloon.

The speaker of the evening, W. H. Anderson, state superintendent of the Anti-Saloon League, said that he is a lawyer fighting for righteousness and that his organization is the agent of the church. The fight for enforcement has just begun. He claims that 2 3/4 per cent of alcohol would be intoxicating to the normal man. Mr. Anderson further said: "The brewers owned 90 per cent of all saloons. The liquor interests are trying to destroy the federal aspect of prohibition." Mr. Anderson rejoices in the city local option law passed in 1917.

THE GARDENS PLAYERS

The first subscription performance will be held at the Kew Gardens Country Club on Monday and Tuesday evenings, Dec. 11 and 12, at 8:30 P. M. Three one-act plays will be presented, one of them by a visiting organization. Tickets for this performance are now being mailed to those who have subscribed for the season. It is suggested that in order to get the advantage of this first performance, those who have not yet renewed their subscriptions should do so at once. Cordial invitation is extended to new members to join at this time.

This is the last performance that the Gardens Players will present away from Forest Hills, the next bill will be presented in their new theatre at home.

The first two theatre parties for members of the Gardens Players having been so successful, a third party has been arranged with the co-operation of William A. Brady, for the insect comedy, "The World We Live In," Monday night, Nov. 27. Orchestra seats at the special rates for members (\$1.65) may be secured by application to Miss Grace Marren, 26 Greenway Terrace (telephone Boulevard 6514-W). Privilege of attending this theatre party is extended to prospective members.

On Monday evening, Nov. 20, the Gardens Players appeared by invitation with the Jamaica Community Players at Jamaica. The play was "The Clock." It was so enthusiastically received that it will be included in the first subscription performance.

The pupils of Kew-Forest School have various plans for appropriate giving at Thanksgiving time and Christmas. Such has been the custom in past years and no change is contemplated for this season.

The bride was very charming in white; the matron of honor was attired in a peach colored gown with hat to match; the bridesmaids wore cerise gowns, with black picture hats. After the breakfast, dancing was enjoyed by all. The bride and groom will spend their honeymoon at Hot Springs, Va., and other points south; returning they will make their home in Richmond Hill.

Alton Jones, Mrs. William T. Anderson, Mrs. C. C. Joys, Mrs. George H. Wicke, Mrs. A. C. Humphries, and Mrs. Walter P. Burden.

During the year 1922, as was the case last year, this church is giving \$2,000 to worthy altruistic causes. This figure includes the money given by the church, the Women's Guild, the Church School and the Cradle Roll. Since January 1, 1922, the church has given \$692.50 to Foreign and Home Missions; to the same causes the Guild has given \$650 and the Church School \$62. To the Victoria Chapel at Jamaica the church and Church School have given \$146.25. For Near East Relief the church and Church School have given \$105.61. The Home for the Aged has received \$115, and a large donation of staple groceries. The Cradle Roll is giving \$30 to the Jamaica Day Nursery. These figures total \$1,801.36 and before Jan. 1, 1923, the amount will pass the \$2,000 budget. Besides the money, many boxes, barrels and trunks filled with clothing and other useful articles have gone to schools, missions and to Ellis Island from the Women's Guild. Christmas and Thanksgiving baskets are sent by the Church School and Christian Endeavor Society to worthy unfortunate people and hundreds of toys are given at Christmas time every year by the children of the Church School to children in hospitals.

EDUCATION OF YOUNG SERBIAN MEN AND WOMEN

The social room of the Church-in-the-Gardens was well filled on the evening of Nov. 13, when men and women listened for two hours to a most thrilling and inspiring tale from the lips of Dr. Rosalie S. Morton, who has dedicated her talents, her money, herself, to the education of sixty young Serbian men and women in the colleges and universities of the United States. The Women's Guild of the Church-in-the-Gardens was responsible for bringing Dr. Morton before the men and women here, and Mrs. George H. Merrill presided.

When Dr. Morton had finished, \$113.73 was contributed to the International Serbian Educational Committee, 701 Madison Avenue, and many filled out additional pledge cards.

GARDENS MOTHERS' CLUB WILL MEET IN JANUARY

Mrs. Lawrence F. Abbott, president of the Forest Hills Mothers' Club, regrets the inactivity of the club this autumn. She has not been well, her father-in-law, Dr. Lyman Abbott, and her own father, Dr. Albert H. Buck, have died and so her mind and time have been preoccupied. Then, too, Mrs. John D. Fletcher, vice-president, has moved from the Gardens and consequently has resigned, and the corresponding secretary, Mrs. Richard Knight, and Mrs. Harold P. Daniels and Mrs. Lyman B. Stowe have been in Europe. For these reasons, Mrs. Abbott announces that the meetings will not be resumed until after the holidays.

JOHN D. WALSH DIES

John D. Walsh, a retired contractor and dockbuilder, and founder of the firm now known as John D. Walsh, Inc., of Long Island City, died on Nov. 19 at his home on Ivy Close in his eighty-first year.
