SOLDIERS' MONUMENT

Work of Art Designed by Weinman To Be Unveiled October 10.

Appropriate Ceremonies on Flag Pole Green When General Summerall Will Speak— Complete Military Setting.

The unveiling of the beautiful Soldiers' and Sailors' Monument on Flag Pole Green will take place at four o'clock on Sunday afternoon, Oct. 10. This event concerns the north side as much as the south side, and the entire community should take advantage of this opportunity to honor the heroes of the World War. The ceremony will be none the less beautiful and inspiring for being simple and brief. Forest Hills local post of the American Legion will unveil the monument, and the community singing is in charge of Frederick K. Seward.

patriotic message than Major General Charles P. Summerall, U. S. A., the principal speaker. His brilliant career with the A. E. F. was only the climax of a lifetime spent in the service of his country. Since his graduation from West Point in 1892, he has held a commission in the army, and is a veteran of the Spanish War, Philippine campaign, and Boxer uprising. Long before the war, he was recognized as one of the chief artillery experts of the army, and taught at West Point and the Army War College. He was naturally selected to command the First Artillery Brigade when it was sent to France in the early days of the War, and later he was placed in command of the historic First Division. His proved ability soon advanced him to command an Army Corps. After the armistice, he was entrusted with various important special missions, including one to Fiume, and he was later attached to the Peace Commission. One of the first general officers to go to France, he was one of the last to return, and in the meantime there was very little action in which he did not have a part. Forest Hills is fortunate in obtaining so distinguished a speaker, and

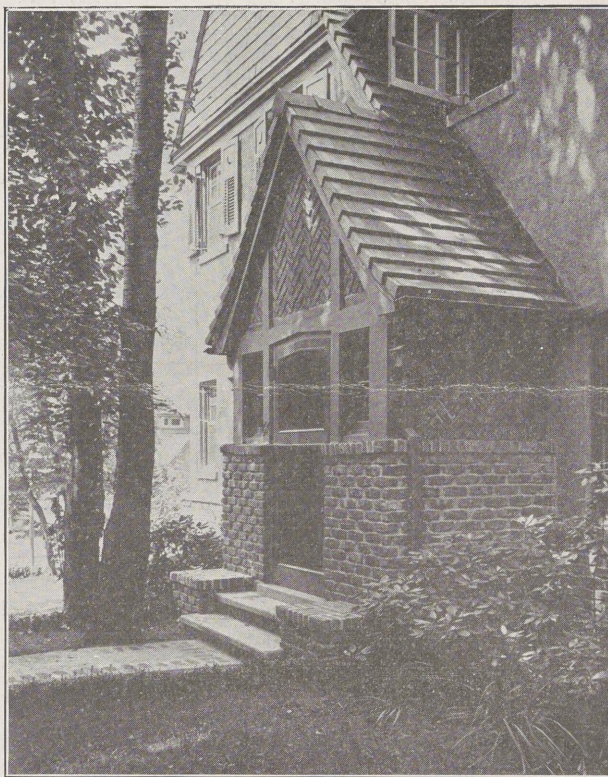

every citizen of Forest Hills, particularly every young citizen, should hear him.

In case of rain the program will be given in the Church-in-the-Gardens.

The singers of the town, all who were in the July Fourth Community Choral Society, are urged to be present promptly at four o'clock and to assist in the singing.

MASONIC CORNER STONE LAYING.

Many Masons of state and national prominence and reputation will be present and speak at the laying of the corner stone of the new Masonic Hall at Gown Street and the Boulevard on Saturday afternoon, Oct. 9, at 3 o'clock.

A VESTIBULE ON GROTON STREET

The vestibule and doorway of this home, composed of an attractive combination of lammie brick and stained wood-work against a body of rough pebbled stucco, is extremely pleasing. One of the charming effects of this hospitable entrance is the herringbone setting in conjunction with the half-timbered work.

RAIN IMPEDES GARDENS PLAYERS

Jupiter Pluvius took charge of the performance of "Pomander Walk" which the Gardens Players were scheduled to give on Thursday and Friday evenings of this week on Burns St., with the result that Thursday's performance had to be postponed. (At the time of going to press Friday noon, it is not possible to predict the weather for Friday evening.) Tickets for Thursday's performance will be honored this evening, if pleasant, and those for Friday on Monday, (in case there is no performance Friday) or, correspondingly, the two next pleasant evenings. Notices will be posted in the Inn and the Railroad Station. "Follow the arrows."

THE INTELLECTUAL REDS

“A parlor revolutionist is always safe. He does nothing,” so writes J. Salwyn Schapiro, Professor of History in the College of the City of New York, in the June number of the Atlantic Monthly. Such a statement is as surprising as it is dangerous and untrue.

Some intellectual reds, with soft hearts, have minds that do not reach logical conclusions, but through their sympathy, which does not penetrate the real causes for the condition of the “down-trodden,” they show an interest in and a mental approval of the real red. The intellectual revolutionists influence the parlor revolutionists of the wealthy class, who furnish the money to movements which plan the overthrow of our government.

Last September, a year ago, the Communist party was organized in Chicago and it is composed of anarchists, syndicalists, I. W. W.'s etc. As stated at a hearing before the Lusk committee the purpose of the Communist party, according to Dr. Maximillian Cohen, editor of *The Communist World* is “the overthrow of the organized Government of the United States and the state of New York and the substitution therefor of a Dictatorship of the Proletariat.” Seventy three communist centers were organized in New York and many more throughout the country, because of large sums of money donated by parlor sympathizers, many contributions coming from this country and some from abroad. Deputy Attorney General Berger, of the Lusk committee, says that 40 or 50 radical foreign language papers, published in New York, with a circulation of 3,000,000 in the country, would be bankrupt except for gifts of wealthy people in New York. These papers put forth propaganda for the annihilation of our national and state institutions.

It is an endless chain, leading from thoughtless, intellectual revolutionists, who impress others of their kind, some of wealth, who promote the plan to destroy the greatest nation in the world. But what is even worse, such propaganda impresses those of crazed minds, who assist in the diabolical bomb plots, such as we have witnessed within the last fortnight. The Wall Street catastrophe, where 37 innocent people lost their lives and 300 more were injured, because of the spread of revolutionary doctrines, has caused some clear thinking on the part of many well meaning intellectual revolutionists and, seeing now the error of their ways, they have turned their backs on the reds.

Every resident of Forest Hills Gardens ought to consider himself an agent to uphold the Constitution of the

United States. No nation in the world affords to the individual man and woman such opportunities of culture, education, development and service as our own! It is a privilege, inspired by patriotic fervor, to express our gratitude in lives of patriotic service, to the United States of America.

Executive Board of Celebrations Association Chooses Leaders—Plans Christmas Eve Celebration.

The first meeting of the Executive Board of the Celebrations Association of Forest Hills Gardens was held at the sales office Monday evening, Sept. 20, with the following members present: Donald G. Clark, John M. Demarest, Arthur H. Flint, Louis P. McGahie, Dr. Ralph W. Waddell, Mrs. A. J. Wilson, W. W. Bruce, Mrs. J. S. Maxwell, Francis H. J. Paul, Horace McRobert, Jr., E. H. Mays, Mrs. George Smart, Harvey T. Warren and John M. McMillan.

Mr. McRobert was chosen president pro tem and George Smart, secretary of Fourth of July committee, acted as secretary during the evening.

Mr. Demarest addressed the meeting briefly. He said that the movement of the people of the Gardens to take charge of the various celebrations met the hearty approval of the Sage Foundation Homes Company. This year and in earlier years those who had directed the celebrations had given much thought to them and moving picture records of most of the activities had been made and had been enthusiastically praised by leaders of other communities. He hoped the standards would be maintained in future years. He believed that this movement would be followed by another, perhaps more important one, for the time is not far distant when the people and not the company must see to the enforcement of restrictions and take over and administer the maintenance charge.

Mr. Demarest said that the company had endeavored to stand in the background. “If we have been helpful,” he said, “we are proud of the part we have taken. The people of the Gardens have reached the pinnacle of community organization, and I trust that all which has been accomplished will be conserved under the new plan. Select your very best men to lead and give them all the mental, financial and physical support that will be required. The co-operation of the company will continue to be with you.”

The following officers were elected: President, Horace McRobert, Jr.; vice-president, Mrs. J. S. Maxwell; secretary, Scott Robinson; treasurer, Henry Hirschberg.

The new president will soon appoint the committees necessary for conducting the Christmas Eve celebration. A very frank discussion was held in regard to some features of last Christmas Eve celebration and the prevailing opinion was that anything not in harmony with the appropriate celebration of Christmas should be and must be prevented.

The next meeting of the board will be held on Monday evening, Oct. 4, at the Sales Office.

BULLETIN FILES

The files of the BULLETIN, for binding five complete sets of this record of the community life, are still imperfect in some numbers. In volume one, one copy of number 15 is needed; in volume two number 1, one copy is needed number 25, one copy is needed and in number 26, three copies are still missing. These numbers will be gratefully received by the Editor, 45 Deepdene Road.

The thanks of the BULLETIN, are extended to the friends who are helping to make these sets complete.

CHANGES OF ADDRESSES

At this time of year there are many changes of addresses on the part of subscribers of the Bulletin. It will facilitate matters very much if all those who are moving will send the new addresses to the Bulletin office, 9 Station Square.

THE INN

A charming little wedding was held in the drawing room of the Inn on Monday afternoon, Sept. 20, when Miss Grace Close was married to Mr. Edwin W. Savage, followed by a buffet supper in the sun parlor. The bride was dressed in an afternoon frock of cream satin and carried a charming old-fashioned bouquet of bride roses and orange blossoms. Her only attendant was her sister, Miss Gertrude H. Close, who was also dressed in white and carried orchids. Mr.

Louis K. Savage was best man and the Rev. A. J. Gammock, of Worcester, Mass. officiated. Mr. and Mrs. Close will reside in Worcester after returning from their honeymoon trip.

Dr. and Mrs. W. A. Hume, of Toledo, Ohio, have returned to the Inn after spending a delightful summer at Sugar Hill, New Hampshire. Dr. and Mrs. Hume anticipate spending the remainder of the season at the Inn.

Mrs. C. J. Hasselman and her two little daughters were heartily welcomed by their many friends on their return to the Inn for the winter, having spent the summer with Mrs. John Enequist, Mrs. Hasselman's mother, at Grove Beach, Conn.

Frank E. Pershing made a short visit recently to his parents, Mr. and Mrs. James E. Pershing, of the Inn.

Mr. and Mrs. W. D. Cleveland, Jr., of Houston, Texas, left last week for a motor tour of the New England States before returning to their home in the South. Mrs. Cleveland is the sister of Mr. Albert Morse, who has been a guest of the Inn for several years.

Miss Alice Fearn arrived from Mobile, Ala., a few days ago to join her family, who have been spending September at the Inn.

Mr. and Mrs. Alfred Cast and their daughter, Miss Beatrice, have returned to their home in Malden, Mass., but it is hoped they will return to Forest Hills later in the winter season. Miss Cast is a soprano of unusual ability and favored the guests of the Inn with a delightfully rendered series of songs last Sunday evening. Incidentally, it may be mentioned that the Sunday evening concerts have been continued during the entire summer, and inasmuch as the management has been successful in securing the services of an exceptionally fine orchestra, they have been of unusual interest, and we hope will continue to please as appreciative audiences throughout the winter as they are at the present time.

Mr. and Mrs. Frank T. Wallace have just returned from several days' stay at Atlantic City. The change of air and environment has improved Mrs. Wallace's health, though she was very glad to return to her "Inn" home.

Mrs. William W. Porter, with Misses Lillian and Margaret, of New York, have recently arrived at the Inn, where they intend spending the winter season.

Mr. and Mrs. Albert H. Gere were warmly welcomed back by the Inn folks after a vacation of several weeks in Cincinnati.

Among the recent arrivals are Major and Mrs. A. White of New York, Mr. and Mrs. Henry S. Matthews of Nashville, Tenn., Mrs. Henry S. Susman of Kansas City, and Mr. Charles L. Munger of New York.

WOMEN'S CLUB

The first meeting of the year, and the first one under the new president, Mrs. Augustine J. Wilson, of the Women's Club of Forest Hills, will be held at the Inn on Monday afternoon, Oct. 4, at 2 o'clock. Short talks will be given by Mrs. Harry Lilly, president of the New York City Federation of Women's Clubs, and Mrs. Emile Glogau, president of the City Federation Hotel for Working Girls. The principal speaker will be Miss Eva Potter of the League of Women Voters. The soloist of the afternoon will be Miss Elise Gardner.

A well arranged and attractively printed year book, prepared by a committee, of which Mrs. Edgar Dyer Sealy is chairman, showing a membership of 252, has been mailed to all the members. The officers, chairmen of four chapters, and the personnel of many committees are also given in the book.

Send interesting personals to the Bulletin office, 9 Station Square.

LEGION TO CELEBRATE

The next regular meeting of Forest Hills Post 630, American Legion, will be held at Autenreith's on Monday evening, Oct. 11 at 8:30, and will be an informal smoker and entertainment—with EATS. The committee is very secretive, but promises Big Doings. Come early and avoid the rush. Plans will be discussed for the Legion Minstrels, which are to be given for the benefit of the Community House. All ex-service men who have not yet joined the Legion are urged to be present—share the hospitality—and sign on the dotted line.

The Post has been invited to take part in the dedication of the War Memorial on Sunday afternoon, Oct. 10. Members will please report at the flag pole, in uniform, at 3:45 P. M., on that date.

A Post bowling team is being organized and challenges sent to nearby Posts. Any buddy who throws a mean ball should notify Chauncey G. Nichols, 166 Portsmouth Place, of his prowess, and try out for the team.

HOMER CROY'S NOVEL

Homer Croy is the author of a novel published this week. It is entitled "Turkey Bowman," and is a humorous story of a boy whose juvenile sweetheart throws the dish water on him when he is singing sweetly (as he thinks) under her window. So he determines to run away and not come back until he is President of the United States. His adventures are amusing. The book gets its title from the name of the boy—Turkey Bowman—who is as freckled as a turkey egg.

Mr. and Mrs. Croy will return to their home at 10 Standish Road the first of October. The place has been rented since Mr. Croy went to France.

THE CHURCH-IN-THE-GARDENS

Tomorrow marks the ninth anniversary of the organization of the Church-in-the-Gardens and the sixth anniversary of the dedication of the present church building. The church has come up through the various stages—the store in Station Square, the portable chapel on Ascan Avenue, and into the present structure—with increasing strength, and it comes into this year of its greatest activities with able leadership and splendid reinforcements. The Sunday School has outgrown the social room and has overflowed into the church proper. The officers and teachers of the school are anxiously looking forward to the coming of the new Community House.

The Sacrament of the Lord's Supper will be observed tomorrow at 11 o'clock. Dr. Latshaw will be in charge.

Since the older Sunday School is now meeting in the church auditorium, immediately preceding the church service, parents are asked to co-operate in helping to have the scholars present promptly at 9.45, or a few minutes earlier.

The Christian Endeavor Society will hold its first meeting of the season tomorrow evening at 7.45 in the social room. All young people of the community are cordially invited.

Gorton Marsh on Wednesday evening, Sept. 22. A harpist furnished music throughout the evening. The house was decorated in Autumn flowers.

Over one hundred members and friends of the Guild attended the rally luncheon held in the social room yesterday. Weekly meetings will be resumed this fall starting on Friday, Oct. 8, at 8 P. M., in the social room of the Church-in-the-Gardens.

Note the different evening and place from last year. Any candidates for membership in the troop should also be present on that evening.

MOTHERS' CLUB

Election of Officers—\$500 Voted Towards the Community House.

The Mothers' Club has the distinction of being the second organization of Forest Hills to make a donation towards the Community House, for it voted at a meeting held at public school 101 on Sept. 20 that the \$500 realized from the operetta last spring should be paid to the Community House committee. The club is grateful to Mrs. Donald G. Clark and her helpers for the splendid success of the undertaking. The first society to make a donation to the fund was the Christian Endeavor Society of the Church-in-the-Gardens, last fall.

Mrs. George A. Douglass, who has been the untiring president of the club during the last year, urged the club to keep in close touch with the school officials and the various organizations of Queens and New York Mothers' Clubs as a means of bettering the local situation. She also recommended to the incoming president to appoint a committee to work with Dr. J. A. Corscaden in the playground work and to raise money for its proper care and flooding for winter sports. Mrs. Douglass was thanked by the club for her excellent administration.

The new officers are: President, Mrs. Charles Pope Caldwell; vice-president, Mrs. Elmer J. Kline; corresponding secretary, Mrs. A. T. Johnston Jr.; recording secretary, Mrs. George Simons, and treasurer, Mrs. L. E. B. Conkling.
