No. 1

HOME OF HOWARD DUFF.

On the corner of Rockrose Place and Wendover Road is the home of Howard Duff, illustrated above. The house is ell-shaped in plan with a two-story porch set in the angle, and with its well designed gable ends forms an attractive picture. Eugene Schoen was the architect and the Sage Foundation Homes Company the builder.

## BOY SCOUTS AND THE NEW LIBERTY LOAN.

At the regular meeting of Troop 2 held Monday night in the Sales Office, plans for helping in the new Liberty Loan Drive were discussed. The Scout Troop stands ready to co-operate to the fullest extent with the Local Liberty Loan Committee, and as in previous loans, that means that a goodly number of subscriptions placed in Forest Hills will be traceable to the efforts of the Boy Scouts.

## FOR OUR BOYS.

Many thousand of our boys returning from Overseas are badly in need of canes and crutches.

Your discarded ones will serve some one. Kindly leave at Red Cross House, where they will be collected and sent to the Base Hospitals.

Thank You.

## FOURTH LIBERTY LOAN.

Benj. Strong, Governor of the Federal Reserve Bank, has appointed Alexander Cameron, of Ascan Avenue, Chairman of the Liberty Loan Committee for this district. Mr. Cameron has not yet completed the personnel of his committee, but he will get things well under way before the opening of the drive on September 28th.

The Committee will aim to make the Fourth Liberty Loan a record-breaking Forest Hills contribution toward winning the war. Meetings will be held beginning Monday, to apportion the district to canvassers. John P. Curtiss is Publicity Manager for the drive.

## RED CROSS FAIR.

Owing to the unity of spirit and the cooperation of the residents of Forest Hills, the Red Cross Fair, held September 12th, 13th and 14th, proved a remarkable financial success. Fourteen thousand dollars was made during the time the Fair was in operation. In the next issue of the Bulletin an itemized list of expenses, etc., will be published.

It is the desire of Mrs. Caldwell, chairman of the Red Cross Branch of Forest Hills, and Mrs. Leon D'Emo, chairman of the Ways and Means Committee, to thank cordially all those who gave their time and effort in assisting at the booths and in donating to the Fair.

Pages of the Bulletin would be necessary to say all the kind words and give all the deserved praise to the workers and to those who gave most generously of their talents, money or valuable articles in order that this Carnival might be a success.

Mr. Will Rogers, despite his arduous duties on the stage and a painful injury to his knee, appeared on several occasions and helped swell the rapidly growing fund not only by his interesting and daring feats of horsemanship and lassoing, but by a side-splitting auctioning of a mule. If the dimensions of the dance pavilion had been larger it could have been filled twice over by those who love to laugh at the jovial Westerner's jests.

### PUBLIC SCHOOL NOTES.

The Registration this year in the Public School is 297 pupils as compared with 240 last year. There is still, however, room for more children in the First Year classes. These classes meet in the school house in the Gardens, where Miss Cording, Principal, is still prepared to receive new pupils for the present term.

School Gardens of the past summer have been useful, not only as instruction for the children, but also for a considerable amount of food produced and revenue obtained. Largely through the efforts of Mr. Frederick Pabst, Janitor at P. S. No. 3, in supervising gardens there through the summer, nearly fifteen dollars has been turned over to the Red Cross, as the proceeds of the sale of cabbages, corn and squash.

### LOCAL SCOUT COUNCIL.

On Monday evening last a group of interested people met to form a Local Scout Council to supervise and guide the activities of Girl Scout Troops Nos. 1 and 2. A second meeting will be held this coming Monday at 8:15 P. M., at the home of Mrs. Shaw, 7 Roman Avenue.

### CHILDREN'S HEALTH COMMITTEE

To take measures in advance to see that everything is done to prevent general contagion through colds, a committee is being formed to look after the conditions surrounding children in the schools and elsewhere in Forest Hills and do everything possible to keep child health here on the highest level. A meeting of this committee will be held in Public School No. 101 in Russell Place, on Tuesday, September 24th at 4 P. M.

### KEW FOREST SCHOOL.

A Correction: In the Bulletin of September 7th an error was made in the date set for the opening of The Kew-Forest School. It was the original intention of the Principals to open on Monday the 16th. In view, however, of the unfinished condition of the new building it has been decided to postpone the opening to Monday, the 23rd, in order that the main floor may be entirely ready for occupancy.

### THE INN.

It is hardly possible to realize the change in the building formerly used as housekeeping apartments. These are now being converted into hotel rooms of the most modern type. Work is progressing splendidly and the connecting bridge will soon be under construction. This addition to the Inn necessitates the enlargement of the present dining room, an improvement which will soon be under way and promptly completed. The apartments are from one to three rooms and rentals are being made very rapidly for November 1st occupancy.

The winter guests of the Inn are returning daily and with the re-decoration of the lobby and lounge and the return of familiar faces, it is assuming a very "homey" atmosphere.

The first of the regular Sunday evening concerts was given last week to an appreciative audience. It is earnestly hoped that the residents of the Gardens as well as the guests of the Inn will enjoy their Sunday evenings in this way and assist, as far as possible, in making these concerts a success.

Mr. and Mrs. E. W. Bullinger, with their son, R. E. Bullinger, have recently returned from a motor trip through New York State and the Adirondacks.

Dr. and Mrs. W. A. Rice are spending the month of September at the Inn, but will return to their home in Puritan Avenue early in October.

Mrs. R. G. Angell, of Forest Hills Gardens, has recently come to the Inn, where she anticipates spending the winter months.

A daughter was born to Mr. and Mrs. G. R. Hoey, of the Inn, on Saturday, September 14th. Mr. Hoey, who is an officer in the U. S. Navy, is awaiting orders to leave at any moment.

Mr. and Mrs. L. W. Renfrew have returned to the Inn after several weeks' vacation on the Connecticut shore.

Mr. and Mrs. H. R. Coursen have just returned from a two weeks' trip through the Adirondacks.

Mrs. R. N. Myers, of Rochester, N. Y., is visiting her daughter, Mrs. H. T. Cummings.

Miss M. E. Van Cisa, of Summit, N. J., spent the last week-end with Mrs. H. Beeson, of the Inn.

Mr. W. B. Haight and Miss Haight have returned from a two weeks' visit to Nantucket, Mass.

Dan S. Morse, of Lexington, Ky., recently spent a few days with his brother, Albert W. Morse, on his way to school at Andover, Mass.

Lost.—Gold bar pin, Friday night, at Red Cross Fair. Finder please return to Miss Louise Freystradt, the Inn. Reward.

Word has been received that a daughter, Mildred Hamilton, was born to Mr. and Mrs. Norman B. Baker, formerly of Ingram Street, on Monday, September sixteenth.

Howard Ortgies, of Continental Avenue, left for Hartford, Conn., on Monday, where he is to enter the Freshman Class of Trinity College.

Miss Martha Allen of Beechknoll Road spent a month of her vacation at Bernardsville, New Jersey, aiding in a convalescent hospital for officers established by Mrs. W. S. Pyle. Mrs. Pyle has had her beautiful summer home, "Oakdene" fitted up as a hospital, and some of her young girl acquaintances have been serving as Volunteer Aids. The second month of Miss Allen's vacation was spent in and around Troy with friends.

Mrs. Harold G. Meir of Toronto has been visiting Mrs. Allen and Mrs. L. L. Post of Beechknoll Road. Mrs. Meir is a niece of Lady Hearst, wife of Sir William Hearst, premier of Ontario, Canada, and is also a niece of Mrs. Allen.

Mr. and Mrs. W. L. Fleming have returned to their home in Tennis Place after a summer spent at Southold, Long Island.

## RED CROSS FAIR THEATRE

The Red Cross Theatre of the Forest Hills Carnival and Fair took its place beside the leading Broadway houses on Thursday, Friday and Saturday, September 12th, 13th and 14th.

Laurette Taylor, Edwin Arden, Jewell St. Leger. Stella Hoban, Kathleen Lawler, Janpolski, Lucille La Verne, Merry Williams Harn, Elizabeth Washburne, Andrea Sarto, Worth Colwell, Sargent Cormack (just over from three years at the front), Helen Dale, W. Leonard and others appeared to packed houses and the enthusiasm both on the stage and in the audience ran at high pitch at every performance.

Next to the gratitude of the community to the players for appearing is that of the Red Cross Chapter to Mrs. Burns Mantle, Mrs. Edwin Arden and the rest of the Committee for arranging for their appearance.

A particularly fine spirit was shown by the New York theatrical managers, Mr. William A. Brady, the Messrs. Shubert, Mr. George W. Tyler, Cohen & Harris and F. Ziegfeld, Jr., who contributed boxes and seats, the tickets for which were auctioned at the Red Cross Theatre and the funds turned over to the Chapter.

The box at the Knickerbocker Theatre for "Someone in the House" was purchased by Mr. Ralph Odell of the Gardens Apartments. A box for "Penrod" at the Globe Theatre was taken by Mr. F. L. W. Palmer of Kew Gardens. Two tickets for "Going Up" at the Liberty Theatre were bought by Mrs. E. V. Gent and another pair for the same attraction by Mr. Alexander Cameron. Mr. G. L. C. Earle is going to see "Keep Her Smiling" at the Astor Theatre and Mr. H. Mullen bought the tickets for Alice Brady in "Forever After" at the New Central Theatre. Reservation for a table at the Ziegfeld Midnight Frolics was bought by Mr. J. M. Saulpaugh, Jr.

**"SEND THE BOYS AWAY WITH A SMILE"**

is to be the slogan in District 175, and a Welfare Committee consisting of residents of Elmhurst, Corona and Forest Hills has been formed to carry it out. A brass band to give the right atmosphere to the home-leaving, a lunch to keep up spirits during the trip to camp, a comfort kit for every man, and friendly advice and counsel on dangers and pitfalls other than those furnished by the Hun, are some of the things this Committee will undertake to provide.

Residents of the District will be asked to finance the operations of the Welfare Committee. The plan is to ask for contributions of \$1.00 from everyone interested in this work. A larger sum will not be refused. As the Committee may overlook YOU, send a check now to J. C. Parkes, 49 Summer Street, Chairman of the Sub-Committee representing Forest Hills.

**Apropos of the Season.**

Are you doing your bit, are you helping the cause;  
Are you striving your utmost to help win these wars;  
Do you think of the boys who are fighting for you  
And what they will say to you when they are through?  
Are you square through and through; is your heart true  
as steel;  
Are you traveling through life on a plumb-level keel?  
Ask yourself that when your day's work is done,  
For you want to be clean when the great war is won.

V. E. ENGELBACH.

**CHURCH-IN-THE-GARDENS.**

Services have been resumed after the Summer vacation with excellent congregations. Dr. Kent will continue the exposition of "Choice Chapters of the Bible" Sunday mornings.

The Thursday night meetings for prayer and conference have been continued right through the Summer with good results. Mrs. Sherwood Eddy was the leader several weeks and Mrs. Smart gave a very interesting talk on Dr. Washington Gladden, a former pastor and an intimate personal friend. The meetings have been held at the home of Mr. and Mrs. Kaighn.

Owing to the pressure of his work as Y. M. C. A. Secretary, Mr. McTyier has felt constrained to resign the superintendency of the Sunday School, and Mr. Flint has been chosen in his stead. The school will re-open the last Sunday in September.

The next communion service will be held the first Sunday in October. The Church-in-the-Gardens keeps the doors open to its services and fellowship "to all who love the Lord Jesus and seek to do His will."

**HELEN THOMPSON.**

Mr. and Mrs. Alexander Thompson, of Ascan Avenue, have the sincere sympathy of their friends and neighbors in the death of their daughter Helen, after a long illness. She was a much beloved and very successful teacher in one of the public schools in Astoria, and had just about completed her examinations for the position of head of department. Very fond of music, a fine pianist, she was the sunshine of the home.

**BOY SCOUT LEADERS NEEDED.**

An excellent opportunity for service to the country is offered to many men beyond the draft age through the medium of the Boy Scouts of America. A large number of Scoutmasters and Assistant Scoutmasters in Queens Borough have already answered the call to the colors and more will respond under the operation of the selective draft act just put into force. The vacancies must be filled by public-spirited men who remain at home in order that organized boyhood may be kept intact for governmental campaigns.

In the three Liberty Loan campaigns the khaki-clad lads of from 12 to 15 years of age have secured in excess of \$200,000,000 in bonds, or one out of every twenty-three. In the war savings campaign they have sold approximately \$20,000,000 in stamps; in the black walnut campaign they have reported roughly 15,000,000 feet of timber to the Government. Repetition of this work will be seriously handicapped unless adequate leadership can be secured.

In addition to war activities the Scout program is such that adolescent boys are given the right vision of life with a resulting decrease in juvenile delinquency. The program and the significance of the call should challenge the best of the manhood remaining at home. If you who read are destined to stay "over here" it is your duty to your community and your country to help that community and country by giving leadership to our boys. The Queens Borough Council, Boy Scouts of America, 320 Fulton street, Jamaica, L. I., is anxious to enroll men for this service.

### "Rainbow" Bugler Killed.

John Turner, of the 166th Ohio Regiment, in the Rainbow Division, the Bugler, only twenty years old, who on "Rainbow Night" blew taps in Forest Hills, was killed on August 2nd at Chateau Thierry. He had already won the decoration of the French Government for bravery in action. He died in the hospital the day after receiving a wound in action which, in the absence of medical aid in the midst of desperate fighting, he had dressed for himself.

### Ninth Coast Artillery.

Colonel Delafield has left the command to go into Federal service and Governor Whitman has appointed Lieut.-Colonel Burleigh as Colonel in his stead.

Last Thursday night at the Armory in Fourteenth Street the inspection and muster roll of the Second Battalion was held. Artillery drill is held every Thursday night at 8:15 o'clock.

Several local men have recently joined the Forest Hills Company, but, as the new draft is already taking quite a few, the officers and men hope that the vacancies will be further filled from the ranks of their friends here.

### Fourth Liberty Loan.

A mass meeting will be held in the Church of Forest Hills, Seminole Avenue and Gown Street, tomorrow (Sunday), October 6th, at 8 P. M.

The Central Committee of the Liberty Loan Campaign will send one of their best speakers, who has returned from the front and will give specific facts from his own observation as reasons why we should support the Loan. Music will be rendered by the church organist and quartette.

Members of the local Loan Committee are making encouraging returns. They are operating along the same lines as on previous campaigns with greater speed, born of experience. Officers of the organization are:

Alexander Cameron, Chairman; V. W. Miller, Vice-Chairman; David Millar, Vice-Chairman; S. H. Pierce, Secretary; Robert E. Marsh, Assistant Secretary; John Curtiss, Publicity Manager.

Under this Committee and co-operating with it is the Women's Committee, with Mrs. H. P. Daniels, Chairman; Mrs. Smart and Mrs. Walker as sectional leaders, and the wives of committeemen serving to complete it. A Girl Scout division is headed by Mrs. Mueller and Mrs. Shaw.

The Boy Scouts will again serve as "Gleaners after the Reapers." Scouts must not solicit subscriptions, or secure promises, before October 12th.

A meeting of the Liberty Loan Committee will be held in the Sales Office on Monday, October 7th, at 8:15 P. M.

### Italian Children's Christmas.

Tonight at the Inn a diversion during the dancing will be a brief concert given to provide means for sending dolls to Italian children. Mrs. Springer, of Ascan Avenue, now in Italy, has written that they haven't any.

### New Play Leader.

We are glad to welcome Miss Beatrice Fox of New Britain, Conn., as the new Community Secretary and Playleader of Forest Hills. Miss Fox is a graduate of New Haven Normal School of Gymnastics and comes to us experienced in practical work as well as trained theoretically.

Miss Fox comes as the successor to Miss Anne Smith, who leaves in a short time to go abroad for Social Service Work in Italy under the auspices of the American Red Cross.

### Miss Brewer to Go Abroad.

Miss Mabel Brewer, of Greenway South, has gone to Washington, D. C., to attend Miss George's Montessori School there preparatory to work abroad with the American Friends' Relief under the auspices of the Civilian Relief of the Red Cross.

### Co-Operative Buying.

Winter-keeping apples may be ordered now at a low rate by the barrel if sufficient orders are received. Individual delivery will be made. Now is the least expensive time to buy. Orders may be placed through Mrs. R. E. Renaud, of Burns Street. About November 1st it will be possible to get potatoes on this co-operative buying plan.

### Two Letters From Jack Ortgies.

In a New England Division in France, Jack Ortgies of Continental Avenue, has been in some of the most desperate fighting of the war. The following letters are restrained by censorship but give an idea to one reading between the lines what it is like.

August 21, 1918.

Our last trip to the front was the most exciting we have had yet. We left one section of the line in our cars and travelled quite a bit over one hundred miles to a place four miles back of the lines. There we were on the alert at all times in case the Boche continued their drive; but they didn't. They were stopped by the marines and French and were driven back some distance out of an important woods; then our division relieved the marines and kept the Boche on the run for quite awhile. One night while we were back in the alert position, living in our pup tents in a woods we were awakened sometime after midnight and told to roll our pack and get into our cars. Well, it was just like being blindfolded—it was so dark and to make matters worse it had rained in the early evening, consequently our shelter-halves were all wet. So we had some job getting all our things rolled and finding our way out of the woods. It proved to be an attack in another part of the line, so we went back and slept. A couple of nights later we packed and went up to the line and were going to throw over a barrage to help capture a town, but we couldn't get to our positions in time so did not fire but there sure was some firing from our artillery.

I guess I have told you before that I am a runner and was sent with a message early the next morning to headquarters—I had to cross an open field and up another hill and from there I could watch the shells breaking in the valley. It surely was some sight. From this place we went back to our old place in the woods and stayed for a couple of days and then went back again. This time we went as near the line in our Fords as we could, then got out and walked for quite a distance; it sure was hot, too, and (July 20) it was on my birthday so you see what a time I had. We slept in the woods that night, that is we tried to sleep. The next morning, I saw the infantry go over the top and it was some sight too. They went over in waves. Later in the day we went over in one wave with some infantry flopping down on our bellies about every twenty feet to let some schrapnel past. Dodging bullets is no fun, believe me. After that day was over, I felt as if I had spent a whole year of my life in that one day. I could tell a lot more about this trip but it would not be permitted by the censor. At present we are back of the lines quite a distance going through a stiff course of training. We are located in a small town so there is nothing to do but work. One good feature of it is we can go in swimming in one of France's most noted rivers.

September 8, 1918.

We are back in reserve again, so you see we didn't get our leave as was expected. Everybody was disappointed of course after waiting so long. We are living in some forest about forty miles from nowhere, so you see there isn't much to talk about except the weather and it doesn't look very promising, so that is another pleasant thing we have to look forward to. We have been traveling in large three-ton English trucks for the last month or so because our Fords had to be turned over to some other division. They are not as convenient nor as comfortable as the Fords, but it is much better than walking.

LOST: The little school girl who lost the belt of her new Heath Sweater on Tuesday afternoon will be happy again if finder will telephone 6392-J.

### Ensign Bassett on Furlough.

Ensign Charles Chester Bassett, Jr., of the U. S. Naval Flying Corps, is spending his furlough with his mother, Mrs. Edward L. Hunt, in Ingram Street. Ensign Bassett, while a sophomore at Harvard, volunteered in the Lafayette Escadrille, before the United States declared war, and has been sixteen months at the front. On his twenty-first birthday he was commissioned an Ensign in the U. S. Naval Escadrille. He has flown all makes of land and sea planes and has been cited for distinguished service in scout patrol and bombing work. His motor went dead over the North Sea last February and it is considered one of the war miracles that he was saved from drowning, as he sank twice before he was reached by Ensign Gates, the famous foot-ball player of Yale. In recognition of this service Ensign Bassett has been notified that he is to be commissioned a Junior Lieutenant of the U. S. Naval Flying Corps. He returns to the front in a few days.

Two younger sons of Mrs. Hunt, Rice Bassett, of Princeton, and Ben Bassett, have entered the Navy and are now on Submarine Chasers. They are the grandsons of Benj. F. Rice, U. S. Senator from Arkansas.

### Girl Scouts.

At the instigation of the troop captains, Mrs. Frederick Mueller and Mrs. C. A. Shaw, a committee of women interested in further promoting the local organizations of the Girl Scouts met at the home of Mrs. Shaw, 7 Roman Avenue, on September 23rd. The committee consisted of Mrs. Walker, Mrs. Eder, Mrs. Judd, Mrs. Cantrell, Mrs. Small, Mrs. Chalmers and Mrs. Beazell. Mrs. Walker was elected Chairman.

With the co-operation of this committee the Captains are planning for the Scouts a highly interesting year, including a short course in the Morse Telegraph Code, given by Mrs. R. A. Pope, lessons in First Aid by Mrs. Chalmers, signaling by Mrs. Shaw, outdoor and indoor sports, and other activities.

The Captains need two or more active assistants. Young women interested in the work are requested to communicate with Mrs. Mueller, Public School No. 101, or with Mrs. Shaw.

## Personal Notes.

A son, Samuel Emerson, was born to Mr. and Mrs. Louis P. Dowdney, of Burns Street, on Thursday, September 19th.

Lieutenant James Garretson, of Ascan Avenue, after several months of active service, has been chosen for special training in a French Artillery School.

Captain Thomas B. Paton, Jr., of Meteor Street, just returned from active service abroad, has been sent as an instructor to Spartansburg.

Will Rogers, the well-known actor of the "Follies" has taken the Sweeny house for the Winter. Dr. and Mrs. Sweeny are in New York, and the children are in school in Canada.

A recent letter from Emil B. Meyer, formerly with the Architectural Department of the Homes Company, and who went "over seas" with the 77th Division from Camp Upton, announced that he had received his commission as Second Lieutenant. He entered the Officers' Training School while at Camp Upton.

Mr. and Mrs. Austin K. Hanks have rented their house in Slocum Crescent to George A. Douglas for a year. They are in Buffalo, where Mr. Hanks is doing Factory Production work at the Spencer Lens Co. on scientific optical instruments.

Miss Frances Bassett, daughter of Mrs. Edward L. Hunt, left on Sunday last for school, after a delightful vacation in the Gardens.

Edward L. Keyes, 3rd, oldest son of Lieutenant Colonel Edward L. Keyes (for a year past on duty with the A. E. F. in France) of 110 Greenway South, was commissioned a Second Lieutenant in the U. S. Infantry a short time ago and ordered to Stevens Technical Institute, Hoboken, as an Instructor. He entered Princeton University in the fall of 1917, trained there, and was sent as one of the twenty to the S. O. T. C. for intensive instruction at Plattsburg. He is not quite nineteen years of age. His great-grandfather was a Major General of the regular army during the early part of the Civil War.

The names of E. C. Ketcham, of Greenway North, Thomas L. Atkinson, of Markwood Road, and William Tooner, of Greenway South, are among the registrants whose numbers were in the first drawing to determine order for call into service.

Mr. and Mrs. Mecabe, of Greenway South, have returned from a ten-day motor tour through the Green and White Mountains.

Kenneth Cyril Fay and Donald Cannon have left for their Fall term at the Augusta Military Academy, Fort Defiance, Virginia.

Probably more than a hundred residents of the Gardens are already in service abroad. It is, therefore, interesting, though not strange, to hear of chance meetings there, as when Lieut. Warren unexpectedly met Lieut.-Col. Keyes in Sheffield, England, recently. Now a letter from Lieut. Wessmann tells of meeting Lieut. Garretson in Paris, and, among the women workers, Miss Jessup, nursing in Florence, writes that she recently spent a pleasant afternoon with Mrs. Springer of Ascan Avenue, who passed through there on her Red Cross mission.

Mr. and Mrs. E. P. Bosworth have rented the home of Mr. Louis Litt at 94 Groton Street, from October 1st to May 1st. Mr. and Mrs. Litt are staying at the Hotel Lucerne, New York City.

The Davenport house, 20 Groton Street, has been leased from October 1st by Mr. Richard Knight. Mr. Knight has recently returned from France after ten months' service there as Advisory Engineer on United States Government construction.

Captain William F. Colton, of Salt Lake City, with his daughter, Mrs. Union Worthington and son, Hood, were recently guests of his son, F. B. Colton, of Burns Street.

## Red Cross Fair Echoes.

In a little pamphlet circulated as a "Foreword" to stimulate enthusiasm in our recent Fair, there was printed the following:

"The Annals of Forest Hills show marvelous results attained by those who have given their time, brain and support to previous entertainments and National movements, and the American Red Cross, through its Branch at Forest Hills, now calls upon you for help and to work and work for success!"

Success was attained, as the following figures specifically prove:

Total receipts by Committee .....\$12,734.02

Hirschberg, wheel of chance expenses, \$7.56; total expenditures by Committee, \$1,691.31.

This success had its beginning with Mrs. Leon D'Emò, Chairman of the Ways and Means Committee, who not only first suggested the Fair, but also was a directing genius in its management.

In putting it through, many were the obstacles and difficulties met with and overcome—disappointments were encountered by several of those whose shoulders were strongest at the wheel. A splendid spirit of co-operation, however, pervaded the atmosphere and all pulled in the same direction for success. A goodly portion of the credit must be given to those generous outsiders, professional and otherwise, whose efforts and money were so lavishly expended, but then again had it not been for the energy and ingenuity of those insiders who interested the outsiders, where would we have been? Therefore, it seems to us that each one of us Forest Hillites should pat yourselves on the shoulder and rest content in the very gratifying thought that we were all factors in this, our latest success, and that no matter how heavy was our pleasurable burden or how light our self-assumed pleasing task, we did it, and "over the top" we went to the tune of \$11,042.71!

This was the only single feature that netted over one thousand dollars, and grateful thanks are due not only to the directors, but also to Mr. Will Rogers, Edward Cantor, the stars from "Yip Yip Yaphank," Benny Leonard and Bill Brennan, Ad Newburger and his juvenile dancers, and to Kondazian and all who participated in his Fashion Show.

Mr. Palmer is in the army, stationed at Fort Totten, and expects to be appointed chaplain. A council composed of pastors and delegates from a dozen churches met in the afternoon, and after the usual examination voted to join with the Church in the ordination service in the evening. Dr. Nehemiah Boynton, pastor of the Clinton Avenue Church, Brooklyn, and until recently chaplain at Fort Hamilton, preached the sermon; Rev. Lewis T. Reed, of the First Church of Flatbush, gave the charge to the young minister; Rev. A. E. Roraback, of the Church of the Evangel, led in the ordaining prayer, and Rev. W. A. Wagner, of the Union Church, Richmond Hill, presided. The members of the Council were entertained at dinner at the homes of some of members of the Church.

### RED CROSS APPEALS.

A splendid response to the recent Red Cross appeal for warm clothes of all kinds for suffering refugees has already made it possible to send nine hundred and ninety-eight pounds of clothes from the local branch. Clothes were received in uniformly good condition, indicating that in many cases a real sacrifice was entailed.

Now, a still more generous response is needed to another call. More workers must come every day to the Red Cross House to meet the hospital needs of these trying times.

### CHANGE OF TIME TABLE.

Yesterday, Friday, October 18th, the Winter time table with changes in the running time of several local trains went into effect on the Long Island Railroad.

### LOAN FIGURES.

This morning the Forest Hills' report in round figures reads:—

Quota—\$142,000.

Subscribers—1,225.

Subscribed—\$375,000.

### BOY SCOUTS.

As "GLEANERS AFTER THE REAPERS"

Troop Two launched its Liberty Loan Campaign on the night of October 11th and as we go to press the "mop up" has already carried the scout subscriptions to nearly double that of the last loan. Several of the scouts are already assured of their medals.

At the meeting on the 11th, Mr. R. P. Kaighn, on behalf of the national movement and as a member of the Forest Hills Boy Scout Committee, presented Third Liberty Loan medals to scouts Knoke, Burton, Seward and Mohan. Mr. John A. King member of the Forest Hills Boy Scout Committee gave the boys a ten minute talk on "How to Sell Bonds."

Scout Foster Willson of Kew Gardens was welcomed into the Troop on transfer from Hackensack, N. J.

### LIBERTY LOAN MEETING.

Sunday night, October 13th, at the Church of Forest Hills, there was an unusually generous response to appeals for Liberty Loan subscriptions. Under the stimulus of addresses by Captain Bruce Bairnsfather, Hon. Hugh P. McIntosh, member of Parliament, from Sydney, Australia; Corporal Murphy, an American youth enlisted in the Canadian Forces and Major Hall, military representative of the Canadian Government, over \$50,000 were subscribed. Mr. John M. Demarest in the role of Liberty Loan auctioneer sold his wares with a will and the same vim that put the Inn over \$60,000 on the night preceding.

### PUBLIC SCHOOL SUBSCRIPTIONS.

The total amount of Fourth Liberty Loan Bond Subscriptions to the credit of Public School No. 3 is \$21,100.

### RICE BASSETT.

Rice Bassett, Quartermaster U. S. Naval Reserves, gave his life for his country on October 9th, 1918, when submarine chaser 219 was exploded and sank in foreign waters.

He was the son of Mrs. Fanny Rice Hunt, Ingram Street, Forest Hills Gardens, and the grandson of the late U. S. Senator, Benjamin F. Rice for whom he was named. He entered Princeton at 17 years of age and was the honor man of his class. Last April when 19 he volunteered in the navy. He was a young man of remarkable gifts.

These sentences are from letters from his class mates at Princeton to his mother: "I missed Rice a great deal as did all who knew him. He was always so cheerful and ready to make the most of everything and so eager to accommodate that we all regretted the time when he felt called upon to enter service though we could not help envying him for the opportunity which had come and is still postponed for us. The University will not be the same without Rice."

"Knowing Rice as well as I did I know how proud and happy he would be to die for so noble a cause and I envy and admire him greatly. Just now, however, my sole feeling is one of deepest grief."

He has two brothers in the navy, a sister and two little brothers.

### EDWIN ARDEN.

Forest Hills lost a good friend in the passing of Edwin Arden. He loved the community and was responsive to its every demand upon him. He shared with Mrs. Arden at least some part of the enthusiasm for the war work, and particularly the Red Cross work, in which she has been so active, and though reluctant, as most actors are, to "bring his work home with him," to mix his profession with his home life, he frequently gave of his time and his talent that charity might be the gainer.

As an actor Mr. Arden belonged to a generation that has passed. He was a contemporary of the giants of his profession; he played with Thomas W. Keene and was counted a protege of Edwin Booth's. He was a leading juvenile in the old Boston stock company, when that organization set the acting standards of the

American theatre. He was leading man for many of America's best actresses, and was held in highest esteem as an honored and respected player by all his associates. The "movies" won him at last, not because the stage was closed to him, but because of the greater financial inducements they were able to offer him, and partly, too, because they gave him more time to spend in his home, in Forest Hills.

### THE INN

Mrs. Harrison Clark, with her daughters, has just returned to the Inn after a delightful summer camping in Maine. Mrs. V. C. Barnett, who is a daughter of Mrs. Clark, and Miss Shirley, have also joined the family.

Mr. and Mrs. F. C. Thornley and Miss Doris Thornley, have arrived at the Inn where they anticipate staying until the early spring.

Mr. and Mrs. C. W. Godwin of Virginia are among the new arrivals and it is hoped, will become permanent residents of the Inn.

The Misses Moore have returned to the Inn after several weeks in the mountains.

Mrs. Wm. A. Bond and Miss Gladys Bond of Chicago are the guests of Mr. and Mrs. Robert V. Massey of the Inn.

Mr. and Mrs. George J. Cox and their daughter, of Youngstown, Ohio, anticipate spending several weeks at the Inn.

Mr. and Mrs. D. Seymour Willard of Fishers' Island, who were guests of the Inn several seasons ago, have returned and will occupy one of the apartments in the new addition to the Inn upon completion.

Dr. and Mrs. Murray M. Waxman and little Murray, Jr., have returned after spending the summer at their camp at Lake Hopatecong.

Mr. and Mrs. W. H. Boles and little son, of New York City, are among the recent arrivals at the Inn.

Mrs. S. B. Williamson, who spent several months at the Inn last year before Colonel Williamson's departure for France, has returned. Her daughter, Mrs. Julian P. Smith is with her mother, Captain Smith being at present stationed at Camp Mills.

Among other arrivals at the Inn are Mr. and Mrs. H. A. Taylor, of New York; Mrs. C. W. Tompkins, Mrs. T. W. Spence, Miss Blance Lopez, Mr. J. P. Kelly, Mr. and Mrs. H. A. Perch, of Philadelphia; Mr. Alexander R. Howard, Mr. Walter C. Hartwig, of Forest Hills.

### CO-OPERATIVE BUYING.

It will be appreciated if no further telephone calls are made on Mrs. Renaud in this connection for the present, as she is suffering from influenza.

## PERSONAL NOTES.

Cards have been received from Miss Anne Smith en-route overseas. She left last week for social service work in Italy.

Miss Tapley Wessmann has returned to her home in Greenway Terrace. Mrs. Robert Harvie Wessmann and son will spend the winter in Camden, South Carolina.

Miss Erma Shaw, a sister of Mrs. John M. McMillin of Fairway Close, and who left New York September 25th, as a volunteer canteen worker in the American Red Cross, died of pneumonia as the ship on which she was a passenger was about to land at an English port.

A son, Albert Voorhis Moore, Jr., was born to Mr. and Mrs. A. V. Moore, of 1 Ivy Close, on Tuesday, October 1st.

Dr. A. G. Lansing has returned to his office in the Gardens Apartment and will be in his office Tuesdays and Saturdays of each week. His assistant, Miss Rae, the oral hygienist, will be there on Wednesdays.

Mr. and Mrs. Curtis E. Kloetzer entertained over the weekend Lieutenant L. S. Skowronski, of the French Aviation Service, and a member of the French High Commission. Lieutenant Skowronski is one of twelve survivors of a bombing squadron, which originally numbered fifty-eight.

Mrs. Anna C. Boyd of 7 Greenway Terraces, has received a telegram from her son, William, that he has received his commission as Lieutenant in the Aviation Service, stationed at March Field, Riverside, Cal., as instructor.

## SCOUTMASTER FOR TROOP 2.

Gardner Osborn, 16 Ingram Street, is his name. His training for this important work, which he has so willingly undertaken,—began only a few years ago—at Yale. He took a Post-Graduate course at Camp Dudley, where Mr. Mays and Mr. Kaighn, (both members of the Local Scout Committee) came to know him and his work. While at Yale he rowed on the freshman crew and played on the freshman football team. He likes boys and has studied and written about sports of special interest to boys. As so often happens in Forest Hills, Mr. Osborn seems to be exactly the right man to continue the work started by Mr. McCulloch and carried on so efficiently by Mr. Folensbee.

W. P. McCULLOCH.

SCHOOL CROPS.

## PUBLIC SCHOOL NOTES.

The registration of the first year class now numbers sixty-four and it is planned to assign another teacher soon to assist Miss Hustis.

A kindergarten class will be formed on the North Side, provided as many as thirty children enroll for it. Thus far only ten children have registered.

The school gardens have yielded enough pumpkins and squash to insure pumpkin pie in the homes of most of the children interested for some time to come. Much of the produce of these gardens, also, has been sold.

## PLAY GROUND.

Basket ball teams for boys of twelve years and of eighteen years have been organized on the Playground and they hope to have a splendid fall season with some outside teams coming in to test their valor.

Baseball as usual proves the most popular game for all groups and ages.

Boys and girls, all come to the Playground and join a team!

## CLEAN UP THE GARDEN.

Now comes the time to clean up the garden. Neglect at this time not only leaves it most unsightly with dried corn stalks and decaying vegetation, but will make spading next Spring more difficult. Improve the appearance of the community as a whole by cleaning up rubbish, at the same time taking care to burn any garden refuse suspected of harboring disease or the larvae of destructive insect pests.

## FOOD RESTRICTIONS.

No more powdered sugar is to be sold for domestic use.

Wheat is still to be used sparingly.

**WELFARE COMMITTEE DANCE.**

The dance held at the Inn on Saturday evening last, was for the benefit of the Welfare Committee for the Selective Service Registration, District 175.

The nucleus for the establishment of a fund for the activities of the committee was obtained through each guest attending being "tagged" by one of a bevy of pretty girls. Said guests were simultaneously accorded the privilege of giving \$1.00.

Refreshments were sold during the evening, the proceeds from the regular Red Cross sale of sandwiches and coffee being very kindly turned over to the Welfare Committee. The Welfare Committee extends its appreciation to the ladies of the Red Cross who so kindly gave their assistance in donations and work towards the success of this benefit dance.

During the intermission, Lieutenant L. S. Skowronski of the French Aviation Service, and a member of the French High Commission, and Gunner Charles Gutterichge, Third Battery, First Brigade First Canadians, spoke in a most interesting manner. Gunner Gutterichge, who was wounded thirteen times and was in the hospital for twenty-six months gave a thrilling talk of his life in the trenches. When Mr. J. M. Demarest followed by a call for Liberty Bond subscriptions, the response was most gratifying and patriotic, totalling over \$60,000. The sum was subscribed in a period of about fifteen minutes.

**MOTHERS' CLUB MEETING.**

**CHURCH-IN-THE-GARDENS.**

The sixth anniversary of the Sunday School will be celebrated Sunday October 27th. This will also be rally Sunday. Mr. Flint, our Superintendent has set before the School the three-fold aim: punctuality, reverence, efficiency in teaching.

We are to have the benefit of the many years of special study and practical experience given to the religious training of young people in home and Sunday School by Mrs. Lucy Allen Smart. A series of ten lessons will be given by her on Sunday evenings, probably in the church, but the introductory address will be given at the regular church service tomorrow morning. Dr. Kent thinks that no more important topic can be presented to all who as parents and teachers are interested in the welfare of young people. An invitation to get the benefit of these lessons will be extended to all the people of Forest Hills and neighboring communities.

Mrs. Alexander Greene, of Slocum Crescent, has resigned from the choir of St. Bartholomew's Church, New York, to be soprano soloist in the Church-in-the-Gardens.

Mrs. Newell Dwight Hillis was the speaker at the last meeting of the Women's Guild. The Guild has voted to hold its meetings during the winter at the homes of the members.

**PROPERTY BAGS FOR BOYS IN HOSPITALS.**

There is a great need in the hospitals for property bags to take care of the personal belongings of the wounded and sick soldiers and sailors. Anyone having pieces of chintz, cretonne, or materials of any kind that can be utilized for these bags will confer a favor by leaving or sending same to Mrs. J. M. Demarest, 35 Greenway Terraces.

HOME OF DR. JOHN F. HILL.

The house pictured above, situated on Puritan Avenue, near Greenway South, is the inviting residence of Dr. John F. Hill. The house was designed and erected by the Sage Foundation Homes Company.

## THOMS AND YOUNG WOUNDED.

Corporal Bentley Thoms and Elmer Young of Company E 107th Infantry, have both been wounded slightly in recent actions. Fighting in the 27th Division under General Haig at Le Cateau, Young was hit by bursting shrapnel on September 28th, and Thoms on September 30th. Stanley Hillman, who was in action with them, was not wounded. Both Young and Thoms are now recuperating at Hospital No. 5, Portsmouth, England.

### FOURTH LIBERTY LOAN.

"Nothing succeeds like success" and Forest Hills again has cause to congratulate itself on the way it went "over the top" in the Fourth Liberty Loan drive. The quota of \$141,520.00, when first announced, appeared to the committee to be exceedingly large, but the way that the committee went about its work, it is not surprising that the drive closed with a total of \$472,500.00, or more than three times the quota. Every man, woman and child on that committee deserves a special vote of thanks and every resident of the community is entitled to the gratitude of the Committee. The collections, with 1375 subscribers, were received through the following committees:

Men's Committee .....	\$362,650.00
Women's Committee .....	29,950.00
Public School Children .....	31,150.00
Boy Scouts .....	35,350.00
Girl Scouts .....	7,750.00
Christian Science Society .....	3,550.00
Postmen .....	700.00
Police .....	1,400.00

### PUBLIC SCHOOL NEWS.

The sudden death of Mrs. Charles Shaw on Tuesday morning last, at the home of her parents, Mr. and Mrs. Thomas B. Paton in Meteor Street, has stricken the school with grief. After an illness of less than a week, Mrs. Shaw succumbed to pneumonia.

Beloved of scholars and teachers, leader of Troop Two of the Girl Scouts, a member of the choir of the Church of Forest Hills, Mrs. Shaw's influence in the community was wide and her loss is deeply felt.

Public School No. 3 is the winner of one of the Jacob Wertheim prizes of one hundred dollars for the highest amount per capita of Thrift and War Saving Stamps sold during the period between January 1st and May 31st. The amount per capita is \$44.16 The school ranks highest in the Borough of Queens and second in the City.

Thirteen pupils of the school are entitled to diplomas awarded to children of the Public Schools who sold five bonds during the Fourth Liberty Loan Campaign. Each pupil is rated as an ace:

Sam Serena, William Yepsen, Affa Gray, Ellen Yepsen, Charles Caldwell, Curtis Kloetzer, Grace Clinchy, Rose Serena, Alfred Van Wagenen, William Gretsch, Collier Elliott, Alden Campbell, Barbara Spence.

The school is fortunate in the appointment of two new teachers, both residents of the Gardens. Miss Beatrice Wilson of Puritan Avenue is to take the place left by Miss Brewer in charge of the kindergarten, and Miss Ethel Price of Greenway South, is to teach the children of the first regular year.

Heating equipment for both buildings has been promised for completion this week, so that November will begin with full preparation made for the colder weather.

### GIRL SCOUT NEWS.

The Girl Scouts of Forest Hills succeeded in securing over \$7,000 in subscriptions to the Fourth Liberty Loan in the last week of the drive. Most of these were secured at their booth at the station. This the girls planned and decorated themselves.

Troop 1 will hold a celebration this Saturday evening, November 2, at the home of Scout Roeschlaub. One of the features of the refreshments will be sugarless sweets.

The death of Mrs. Charles Shaw, the leader of Troop 2, is the cause of sincere grief among the scouts of both troops.

## THE MOTHERS' CLUB

At the election of officers just held, Mrs. E. H. Mays was elected President; Mrs. Percival Haas, Vice President; Mrs. H. P. Daniels, Secretary, and Mrs. J. E. Kline of 174 Meteor Street, Treasurer. This last mentioned address is important, as members are invited to remit their annual dues of one dollar to the treasurer promptly.

An important present interest of the Mothers' Club is the raising of one hundred dollars as a fund to be used by Miss Brewer in her work in France. There is a double opportunity here. Contributors will, by their money, both express appreciation of Miss Brewer's services here and help her to better afford relief to suffering refugees abroad.

The next meeting of the club will be held on Monday, November 18th, when a tea and social will be given in honor of Miss Price and Miss Wilson, new teachers in the Public School. In addition to regular members, prospective members are urged to attend.

**Letter From Lieutenant Wessmann.**

The following is an extract from Robert H. Wessmann's letter of September 17th:

"It has been some time since I have had the time to write you a letter, but am sitting down now, although I really don't have the right to, to let you know that I am sure running in third speed and running hard."

"Wish you could see the work that I have been doing. Talk about being in the Ordnance Department and being safely behind the lines, well let me tell you that those in my kind of work are certainly doing their bit. To give you an idea, we are actually flying over the lines, doing observation work, and if you would ask anyone where they are usually situated, one who knows something about it, he will tell you that it is not very far behind the lines, for you have constant liaison with the front lines and units in our sector."

"So our Squadron is going to it, and though the men have never flown over the lines before, in a recent little excitement that was pulled off in this section of the country they did so well that the Major commanding the group said that they had done much better than he had expected, which, coming from such a person, means something. We lost some, but as the French say, 'C'est la Guerre.'"

"My work is pretty steep, I guess for the reason that I take it pretty seriously. Kind of think that their lives may depend on my guns sometime and every time a plane goes up I always like to be on hand to see that everything is all right. This has meant that every day since last Wednesday I have gotten up at 4 o'clock and have not gotten to bed before 11."

"I sure would be out of luck if I did not like the work, but I certainly do like it. It is about the most interesting stuff I have ever taken up, and with my little group of sixteen men, all of whom I am trying to get to take the same interest in the guns, I think that I am getting away with it."

"I have just been assigned a motorcycle side car, which I am making lots of use of, and which is certainly coming in mighty handy to me. I am acting most of the time as my own chauffeur and find my experience with the Mercer comes in mighty handy. However, if you saw me trying to start the balky motorcycle at 4 in the morning, you would sure remember some of your own experiences in starting the Mercer at the garage on a cold morning."

"But believe me, after the training I am getting I feel that I will be able to do anything in that line, for I am surely getting rather a first-hand technical training in certain lines."

**Church-In-the-Gardens.**

The series of Sunday evening lessons on "Religious Education" to be given in the Church-in-the-Gardens by Mrs. Lucy Allen Smart will begin to-morrow night at 8 o'clock. All persons interested in this important matter, whether members of this congregation or not, are invited.

The thank-offering sociable under the auspices of the Women's Guild on Thursday evening of last week was a very pleasant affair, notwithstanding the fact that it had been postponed from the previous week on account of Dr. Sherwood Eddy's lecture and that some were kept away by the prevalent sickness. Mrs. Dana Eddy gave a very interesting account of her recent trip to China and Japan. Patriotic songs were sung, refreshments served, and some of our new families welcomed.

Having voted to hold their meetings this year in the homes of the members, the Women's Guild will meet on Friday afternoon, November 8th, at the home of Mrs. George Smart, 45 Deepdene Road. Dr. William S. Beard, associated with Dr. Burton in the Home Missionary Society, will speak on "Patriotism and Missions."

Mr. Howard Duff, formerly of Wendover Road, tidings of whose death came as a shock to his friends in Forest Hills, was a member and while living here an officer of the Church-in-the-Gardens.

**Clarence O. Collins.**

A letter has been received by the family of Clarence O. Collins, of Roman Avenue, from the Chaplain of his company, advising them of his death in a field hospital back of the battle line in France. Announcement had been received from Washington that he had been seriously wounded on August 12th, but the letter from his Chaplain was the first message received that he had died the next day after he received his wound.

In a letter to his mother, dated June 20th, written in England, he said: "Everything is strange over here, but we haven't had much time to see the country. We are kept busy training on the big French guns. You need not worry about me, mother, I'm as strong as an ox and this thing will soon be over and I'll be back in the 'States' to stay."

He had enlisted almost immediately after the declaration of war, going to Fort Slocum on April 24th, 1917, in the Nineteenth Cavalry, U. S. R. Shortly after his company moved to Fort Ethan Allen, Vt., where he was transferred to the Seventy-Seventh Field Artillery, Battery D. After training there for several months his company was again moved, this time to Camp Greene, S. C. Then in May, 1918, they were moved to Camp Merritt, N. J., en route to France.

**Food Restriction.**

Orders have been issued that no further sugar allowance may be made for preserving purposes. In view of the shortage it has been ruled that the canning season is over.
